## OVERVIEW

---

Targa 27.2 GT – Tarfish Pro (2025) | Power, Refinement & Adaptability

Built by Botnia Marin, this 2025 Targa 27.2 GT Tarfish Pro marries pace, reliability, and purposeful lines in a beautifully balanced vessel. Propelled by twin Mercury Verado V8 outboards (2 x 300 HP) and stabilized by a Seakeeper gyroscopic unit, she offers composed stability, crisp handling, and confident performance when the sea demands it, whether charging along the coast or setting up for serious sportfishing.

The interior presents an intelligently arranged pilothouse and cabin that soothe as much as they function, with a comfortable berth, a generous head, and accommodations for up to four guests—perfect for day trips, weekend escapes, or brief coastal cruises. Presented in near-showroom condition and maintained with meticulous care, she represents an exceptional opportunity for those seeking a high-performance, secure, and versatile pilothouse motor yacht that blends sportfisher capability, cabin-cruiser comfort, and offshore powerboat range.
