DETAILED DESCRIPTION

Factory installed options include

This yacht is a triumph of design and craftsmanship, featuring an impressive selection of factory-installed enhancements that amplify its luxury and performance. The exterior is highlighted by a bold metallic red stripe on the hull, perfectly complementing the stealth grey underside of the hardtop. For those who value seamless comfort, the Silent Glide SureShade canvas offers effortless shading, while the SeaStar Optimus 360 steering provides precise control.

Navigational simplicity is assured with the Simrad autopilot, facilitating smooth and stress-free voyages. The auditory experience is equally remarkable, thanks to the upgraded JL Audio sound system, which delivers pristine sound throughout the yacht. Comfort is a priority, with 12VDC air conditioning powered by 12V shore power, ensuring a refreshing atmosphere even on the hottest days.

The yacht features an electric toilet with overboard discharge, adding convenience to its array of amenities. Entertaining is effortless with a well-equipped wet bar, and the addition of a flagpole brings a touch of sophistication. Practicality meets elegance with stainless steel drink and rod holders, and a polished stainless steel anchor that enhances the yacht's visual appeal.

For those who revel in the sea's allure at night, underwater lights create a captivating ambiance. The PlasDECK swim platform in matte silver combines functionality with a sleek appearance, making it an ideal spot for relaxation or launching water activities. This yacht is more than just a vessel; it is a testament to sophistication and innovation, crafted for those who seek the pinnacle of maritime luxury.

Helm

The helm of this yacht exemplifies cutting-edge maritime engineering and meticulous design, blending functionality with elegance. It boasts sleek aluminum dash panels that offer a contemporary look while accommodating essential controls. Battery switches for both the house and engine are equipped with an emergency parallel and voltage sensing relay (VSR), ensuring dependable power management. The binnacle-mounted throttle and shifter control provide intuitive operation, and the bilge high water alarm adds an extra layer of security.

A custom leather steering wheel, complete with a protective cover, infuses a sense of luxury into the helm. The Yamaha digital gauge delivers accurate engine data, and the electrical connectors are sealed with triple O-rings to maintain watertight integrity. An emergency shut down switch is easily accessible for rapid response in critical situations. Grounding bars for the bilge, engine, and dash enhance the vessel's electrical safety, while loomed wrapped wiring ensures a neat and efficient arrangement.

Comfort is prioritized with a molded-in footrest at the helm, offering added convenience during extended journeys. LED navigation lights guarantee visibility and safety during nighttime voyages. The power-assisted Sea Star tilt hydraulic steering facilitates effortless maneuvering, and the transom stereo remote allows easy access to audio controls. Trim tabs with indicator lights provide precise control over the yacht's stability and performance.

The helm is further enriched by dual Simrad NSS9 EVO3 chartplotters, featuring 9-inch color multi-touch displays with chartplotter, GPS, WiFi, Insight Charts for both inland and coastal navigation, transducer, and engine data integration. Completing the helm's comprehensive setup is a two-speed windshield wiper, ensuring clear visibility in all weather conditions. This helm is crafted to equip the captain with everything necessary for a secure,

comfortable, and enjoyable voyage on the water.

Head

The yacht's head compartment seamlessly combines practicality with sophistication, crafted to offer comfort and ease while on the water. It includes an electric toilet with a holding tank, featuring a china bowl and a level indicator for straightforward use and upkeep. The forward bilge pump with a float switch enhances safety by effectively controlling water levels.

Entry to the head is via a lockable opaque sliding door, ensuring both privacy and security. Two opening portlights with screens provide natural light and ventilation, enriching the space's overall atmosphere. The interior is elegantly finished with teak flooring, adding a touch of timeless nautical elegance.

Storage is generous, with a side cabinet topped by a solid surface countertop, merging functionality with style. The vanity cabinet is equally well-appointed, featuring a solid surface countertop, a stainless steel sink, and a modern faucet, creating a practical and appealing area for personal grooming. This head compartment is meticulously designed to satisfy the expectations of discerning yacht owners, promising a luxurious experience on the sea.

Cockpit

The cockpit of this yacht exemplifies luxury and practicality, crafted to elevate your time on the water with its well-considered features and sophisticated design. At the bow, you'll discover lounge seating with two foldable armrests, ideal for unwinding while taking in the scenery. Under the forward bow seat, there's a built-in insulated cooler with a 140-quart capacity, paired with a 25-quart portable cooler for added convenience.

The atmosphere is enhanced by blue LED lights in the cockpit and courtesy areas, creating a tranquil setting. The cockpit drainage system, with its

self-bailing fiberglass liner, keeps the area dry and secure. Access to the accessory room is simplified with a floor hatch in the cockpit, and a versatile table with side mount bases can be utilized both in the cockpit and at the bow. Custom helm chairs with flip-up bolsters and three armrests offer comfort and support, while the custom-molded side panel storage in the cockpit provides ample room for your belongings. The dash is tastefully designed with hand-stitched upholstery visors, and DC power outlets are conveniently placed for your electronic devices. The unique diamond pattern non-slip surface ensures safety underfoot.

The fiberglass helm seat base pivots to reveal a spacious storage compartment and includes a fold-down footrest for extra comfort. A full beam integrated swim platform invites you to enjoy the water, while hand-stitched interior upholstery and a selection of interior color schemes, such as black, blue, slate, dune seafoam green, or ice blue, allow for personal customization.

The L-shaped aft seating includes a hinged port cushion, and LED courtesy lighting brightens the aft storage compartment and cockpit storage areas. Oversized bow bolsters with logo stitching add a touch of sophistication, and the premium expanded cockpit vinyl with a stain-resistant finish ensures longevity. The high-end stereo system, featuring six speakers, AM/FM/WB, Bluetooth stereo, and a USB aux port, delivers outstanding sound quality.

A recessed transom door, Sirius satellite tuner and antenna, stainless steel bow rails, and eight stainless steel drink holders enhance the yacht's functionality and style. The starboard cockpit side entry door, with a custom frame and stainless steel hardware, provides easy access, while StarLite seat bases with flow foam ensure comfort. The Vista-View lounge seat, with reclining backrests, transforms into a sun lounger for ultimate relaxation.

Water-resistant speakers, equipped with blue LED lighting, provide high-quality sound throughout the cockpit. The wrap-around stainless steel windshield, supported by custom mounts, completes the sophisticated appearance of this

remarkable cockpit, making it an ideal space for both relaxation and entertainment on the water.

Utility

The utility aspects of this yacht are crafted with precision to guarantee dependability, safety, and ease of use, making it an exceptional choice for discerning yacht enthusiasts. At its core lies the 100% Perma-Panel marine coring, offering remarkable strength and resilience. The yacht is fitted with a 22 lb. galvanized DTX anchor, securely stored in an anchor locker with a molded lid for easy access and organization.

An automatic bilge pump is installed for effective water management, complemented by a brass threaded garboard drain plug for additional drainage. The electric hatch lift allows for effortless access to the bilge compartment, while the electric horn provides clear signaling. For Yamaha engines, a fuel/water separator is included to boost engine performance and longevity.

The hull is fortified with Kevlar® laminate, providing superior protection and supported by a lifetime limited hull warranty, showcasing the manufacturer's confidence in its durability. The yacht is NMMA certified, adhering to the highest safety and quality standards. The transom features poured composite coring, and the use of premium Hydropel resin ensures resistance to blistering.

A pressurized fresh water system with a transom shower adds a luxurious touch, while the PVC rub rail with a stainless steel insert offers extra protection. The remote power connection allows for easy access to shore power, and the stainless steel four-step hideaway swim platform ladder provides convenient water access.

Stainless steel bow and stern eyes, along with pull-up cleats featuring the

yacht's logo, are through-bolted with backing plates for secure mooring. Electro-polished stainless steel thru-hull fittings enhance the yacht's sleek look. A stowable aluminum side entry boarding ladder and a through-hull stainless steel anchor davit further improve functionality.

The windlass package is comprehensive, including 270 feet of rope, 15 feet of chain, an anchor windlass with a lanyard, foot switches, and a helm switch, ensuring smooth and efficient anchoring operations. These utility features collectively ensure that this yacht is not only a vessel of luxury but also a model of practicality and reliability on the water.

Cabin

The cabin of this yacht serves as a haven of comfort and security, meticulously crafted to offer a lavish escape on the water. It is bathed in light from overhead and LED fixtures, creating a cozy and welcoming ambiance. Safety is a top priority, with carbon monoxide and smoke detectors installed to ensure peace of mind throughout your journeys.

The cabin is adorned with color-coordinated fabrics treated with Scotchgard protectant, particularly in the Ultra Lounge-Black theme, providing both elegance and resilience. The forward berth is tailored for relaxation, featuring a center filler cushion that enhances both comfort and adaptability.

Constructed entirely from fiberglass, the cabin and head compartment are designed to endure the challenges of marine environments while retaining a sleek and contemporary look. This cabin perfectly marries elegance with functionality, offering a tranquil retreat for those who cherish the finer aspects of life while at sea.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
