DETAILED DESCRIPTION

Standard Key Features

This yacht is an exquisite fusion of elegance and practicality, featuring an exterior in Biscayne Blue with a White Hull Bottom, accented by a Slate-colored cockpit and a vibrant Fire Red hull stripe. It includes a 5-Year Premium Level Limited Component Warranty, offering assurance to the discerning owner. The aft bench seating is designed with a reversible backrest system, easily transforming from a double bench to a sun lounge, while the bow lounge seating is fitted with two folding armrests and a bow filler cushion for maximum comfort.

For added convenience, an insulated cooler is built into the forward bow seating, and the yacht is equipped with a CDS (Cockpit Drainage System) and SBS (Self Bailing System) to maintain a dry deck. Access is simplified with a side-entry door in the cockpit and a detachable stainless-steel ladder. Hosting guests is effortless with a cockpit table featuring side-mounted bases in both the cockpit and bow areas.

The yacht's design is further elevated by a fiberglass hardtop with a bonded skylight, offering both shade and natural illumination. A full beam swim platform provides generous space for aquatic activities, while the Kevlar reinforced hull guarantees durability and strength, supported by a limited lifetime hull warranty. Navigation and entertainment are at your command with dual SIMRAD NSS7 EVO3 chartplotters/fishfinders, complete with engine data and audio controls. The yacht also includes six water-resistant speakers with blue LED lighting, creating a welcoming ambiance. Lastly, the wrap-around windshield with a stainless steel frame adds a touch of sophistication to this exceptional vessel.

Optional features

This yacht comes with a variety of optional features that boost both its functionality and visual charm. The fiberglass hardtop with a white frame gives it a sleek, contemporary appearance, while the Yamaha Helm Master EX system provides outstanding maneuverability, simplifying navigation. To shield against the elements, the yacht is equipped with covers for both the bow and cockpit.

The JL Audio sound system enhances entertainment, delivering superior audio quality throughout your voyage. Practical features include an overboard discharge system and a polished stainless steel anchor, merging durability with elegance. A flag pole adds a touch of timeless maritime tradition.

For those who relish evening outings, dual color LED underwater lights create an enchanting atmosphere beneath the water. Stainless steel rod holders cater to fishing enthusiasts, and the windlass package ensures smooth and efficient anchor management. These optional features make this yacht a versatile and luxurious option for any nautical adventure.
