## OVERVIEW

---

The Freeman 29 is a high-performance offshore center-console conceived for dedicated anglers who demand speed, fuel efficiency, and refined comfort within a compact hull. Its sophisticated twin hull power catamaran configuration delivers remarkably smooth, steadfast stability in rough water while preserving the quick pace and economical cruising that define its character. Thoughtful deck ergonomics, upmarket finishes, and long range capability make this bluewater sportfishing dayboat equally at home in tournament competition or on brisk weekend runs offshore.

# DETAILED DESCRIPTION

---

## Manufacturer provided description

---

The Freeman 29 is a performance-driven offshore boat crafted for anglers who demand speed, efficiency, and true comfort in a compact footprint, embodying a purposeful blend of athletic capability and refined livability. Its advanced hull design delivers a remarkably smooth, stable ride that stays composed when seas turn challenging, providing confident control and reduced motion for anglers on the hunt, while the thoughtful deck layout and premium finishes elevate every outing with intuitive ergonomics and a refined aesthetic. With impressive range and poise the 29 is equally at home chasing trophies on tournament day as it is making effortless weekend runs offshore, offering a compact platform that feels larger in capability and comfort.

## Details

---

Finished in an Ethreal Blue hull with a matching T-top, this 29 presents a crisp, modern profile accented by a white rub rail and custom-color speakers that unify the aesthetic, projecting both sporty intent and refined taste.

Purposefully set up for travel and storage, it includes a 29' Float-On trailer with a bumper-pull configuration for confident, straightforward towing, making overland moves and seasonal storage uncomplicated and reliable.

## Electronics

---

Total helm control comes via the Yamaha Helm Master EX joystick, paired with two GARMIN 16" GPSMAP displays for charting, sonar, and navigation clarity, delivering intuitive single point handling and precise situational awareness. A 24" dome radar extends awareness in low visibility, while a LED light bar cuts

through darkness when the day runs long to keep passage and angling safe and productive. For serious sound the Freeman Over The Top sound system sets the tone aboard, complemented by multi color underwater and under gunnel lighting that transforms the atmosphere at anchor or underway. A GARMIN side scan transducer sharpens fish finding precision and target separation, and two 12V under gunnel plugs keep accessories powered throughout the boat. Rounding out reliability, the Reverso engine flush system simplifies end of day care and preserves long term performance.

## Deck equipment and features

---

Every detail on deck is tailored for function and finish, starting with Dekit coverage at the helm pad, console topper, rear cooler, and within the aft bilges to add grip, comfort, and refinement where it matters most. A slide drawer at the aft side of the leaning-post keeps essentials organized, while white nineteen foot fixed outriggers stand ready for a wide trolling spread. Anchoring is effortless with a windlass, anchor, rode, and chain, and teak seat upgrades elevate the touchpoints alongside a helm and bolster set designed for long runs. A mega bench transom seat welcomes crew, and an oversized freshwater tank keeps rinses and supplies plentiful. The stand through tower with controls delivers commanding visibility, backed by ten inch stainless steel cleats and robust washdowns for fast cleanups. Anglers will appreciate forty gallon floor livewells and a three port sea chest that feeds them reliably, plus gunnel rod holders, dedicated tackle storage, and well fitted console doors. Protection and clarity at speed come from a custom fitted glass windshield enclosure with wiper, sealing the helm in polished, purpose built style.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.
