OVERVIEW

Presenting the Wellcraft 290 Coastal from 2000, a refined pre-owned walkaround/express sportfisher that measures 30.17 feet overall and carries a stout fiberglass hull for lasting durability and a steady, confident ride offshore. Propulsion comes from twin Yamaha outboards, each rated at 500 hp, delivering brisk acceleration and dependable cruising performance with hours of approximately 918 and 930 on the pair. Anchoring is made effortless by an electric windlass, while stainless 3 blade propellers efficiently translate the engines' power into smooth, economical thrust. The deck plan is adaptable and well-conceived for offshore saltwater fishing as well as leisurely weekend runs, offering generous working areas and uncomplicated circulation from bow to stern. Whether pursuing fast-moving pelagics or savoring a serene coastal passage, the 290 Coastal marries capability and comfort with understated poise. For buyers seeking a Fishing Yacht, Walkaround, Sportfishing Boat, and Express Cruiser in a single package, this model distinguishes itself through potent engines, thoughtful rigging, and hallmark Wellcraft craftsmanship. Embrace open-water adventure aboard Reel Nauti.
