OVERVIEW

Experience a one-owner R302 center console, gracefully fashioned for offshore excursions and true bluewater confidence, propelled by twin Yamaha F300s. Resting in Key Largo with fresh bottom paint, this vessel arrives fully outfitted: dual Garmin GPS/chartplotters, VHF, SiriusXM Weather, premium Bluetooth audio, a fully appointed marine head with macerator, freshwater shower, raw-water washdown, trim tabs, power-assist steering, and an electric windlass. A trailer is included, rendering this saltwater sportfish and family dayboat package turnkey and ready to cruise.

The helm is carefully executed, featuring a 110V 20-amp triple-bank charger/maintainer and a convenient 12V dash outlet, while sleek acrylic switch and gauge panels are protected by circuit breakers. House and engine battery switches incorporate emergency parallel capability and a voltage-sensing relay for reliability, and a 2000 GPH bilge pump with auto float switch adds important peace of mind. Digital engine data is delivered through the electronics suite and a lighted high-speed compass aids precise navigation. Audiophiles will enjoy the premium sound system—AM/FM/Weather, Bluetooth, AUX and USB—powering four speakers. Tinned copper wiring with sealed connectors enhances durability, and trim tabs with position indicators refine the ride. An alluring blend of luxury, performance, and utility, this offshore center console is equally at home sportfishing or enjoying refined coastal cruising.

DETAILED DESCRIPTION

2017 Robalo R302 center console

An original-owner R302 powered by twin Yamaha F300 outboards, this Key Largo-based center console wears bottom paint and arrives comprehensively equipped to run, cruise, and fish with twin Garmin GPS units, a VHF radio, XM Weather, a Bluetooth stereo, a marine head with macerator, a freshwater shower, a raw-water washdown, trim tabs, power-assist steering, and a windlass—and the trailer is included. At the helm, an integrated 110V triple-bank battery charger/maintainer rated at 20 AMP keeps the system topped up, complemented by a 12V DC receptacle on the dash, acrylic gauge and switch panels with circuit breakers, and house and engine battery switches with emergency parallel and a voltage sensing relay (VSR). Confidence comes standard with a 2000 GPH bilge pump with automatic switch and digital gauges (Yamaha/Mercury); when an electronics package is fitted, the standalone gauges are deleted and their information is displayed on the electronics screen. A lighted high speed compass guides the way, a premium sound system delivers AM/FM/WB, Bluetooth stereo with AUX and USB jacks, and 4 speakers, and the installation is finished with tinned copper wiring with waterproof connectors and trim tabs with indicator lights.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
