OVERVIEW

2024 Everglades 285cc

Ready and waiting for your maritime adventures!

Experience the bold evolution of the premium Center Console class.

Blending tournament-level features with exclusive yacht-like comforts, the all-new 285cc redefines the luxury sportfishing category. Its versatility makes it ideal for both coastal and offshore excursions. Staying true to Everglades' tradition, it delivers the smoothest ride in its class, while pampering guests with refined materials and state-of-the-art technology to follow their passions.

The 285cc's timeless exterior, opulent accents, and assertive fishing posture are easily recognizable from a distance. The spacious bow features plush upholstered lounges with teak accents and concealed deck storage that quickly converts into an expansive casting deck or a roomy sun pad. The advanced helm station offers complete control with dual Garmin® displays and proprietary digital switching. The aft section provides unparalleled flexibility, boasting a distinctive rotating helm/mezzanine seat and ample storage designed for fishing aficionados. Whether savoring tranquil evening cruises or exhilarating offshore adventures, the 285cc sets new standards in luxury and performance.

Discover yacht sales at the current boat location and seize the chance to own a yacht that perfectly combines sophistication and adventure.

DETAILED DESCRIPTION

Section name

The 2024 Everglades 285cc is available and primed for your nautical explorations, delivering an unmatched experience in the luxury center console segment. This craft merges competition-level features with unique yacht-like amenities, redefining the high-end sportfishing category. Its adaptability makes it perfect for both coastal and deep-sea voyages, adhering to Everglades' legacy of offering the smoothest ride in the market. Passengers will appreciate the refined materials and intuitive technology, ideal for pursuing life's passions.

The 285cc showcases a classic exterior design with luxurious details and a commanding fishing stance that stands out from afar. Its expansive bow is equipped with plush upholstered lounges featuring teak accents and hidden deck storage, which can swiftly transform into a vast casting platform or a generous sunbathing area. The sophisticated helm station provides total control with dual Garmin® screens and exclusive digital controls. The rear section offers unparalleled flexibility, boasting a unique rotating helm/mezzanine seat and abundant storage tailored for fishing enthusiasts. Whether you're enjoying serene sunset cruises or thrilling offshore adventures, the 285cc elevates comfort and performance to new heights.

Our Ice Blue 285cc is powered by Yamaha WHITE twin engines, each producing 300hp with DES, and includes an Auto Pilot & Joystick for Yamaha EX at the main station. The hull is a striking Gel, ICE BLUE, with an ICE BLUE underside of the hardtop. The solid WHITE upholstery and canvas package, along with a Mediterranean bow shade in WHITE, enhance the vessel's elegance. Additional features include an auto engine flush system, quick release fender pins (six in total), a ladder for side access through a rebounding door with dedicated

storage, and an 18" low profile hardtop-mounted light bar. The underwater lights are Spectrum Quattro RGBW, and the vessel is equipped with a GXM 54 Sirius XM & weather receiver. The Garmin Elite Package includes VHF 215 AIS, dual GPSMAP 8616xsv chart plotters, and a B175HW Transducer. For an enhanced audio experience, JL Audio speakers with LED M6 Upgrade are included. Freight and preparation are also part of the package, ensuring that this yacht is ready for immediate adventures.

Basic boat info

Presenting the Ice Blue, a breathtaking 2024 Everglades 285CC, a fresh entrant in the power yacht category. Built by the esteemed Everglades, this vessel represents the zenith of contemporary boat design with its sturdy fiberglass construction. The Ice Blue is more than just a name; it is a testament to sophistication and high performance, crafted to satisfy the most discerning boating aficionados. This model, marked by the Boat Hull ID RJDNA060D424, assures its genuineness and commitment to excellence. With its streamlined design and state-of-the-art features, the Ice Blue is poised to offer an unmatched experience on the water, capturing the ideal fusion of elegance, resilience, and innovation.

Dimensions

The proportions of this exceptional yacht are carefully crafted to blend practicality with sophistication. Measuring an overall length of 30 feet and an exact length of 30'1", this vessel offers generous space for both comfort and high performance. With a beam of 9'6", it guarantees stability and a roomy deck for all your activities. The draft varies between 2 feet and 3 feet, enabling flexible navigation across different water depths. The bridge clearance is 8'7", allowing for seamless passage under various structures. Featuring a deadrise

of 23 degrees, the yacht ensures a smooth and efficient journey, effortlessly slicing through waves. The electrical system operates at 12 volts, ensuring dependable power for all onboard equipment. These dimensions and specifications are expertly combined to provide an outstanding boating experience.

Engines / speed

This yacht is equipped with a pair of powerful Yamaha engines, each being a model 300, collectively providing an impressive 600 horsepower. These outboard-4s engines run on unleaded fuel, ensuring both powerful and efficient performance on the water. Both engines are brand new, with zero operational hours, guaranteeing dependability and durability for your voyages. The port and starboard engines are identical, each fitted with a 3-blade stainless steel propeller that boosts thrust and agility. Manufactured in 2024, these engines embody the forefront of marine technology, offering a perfect fusion of power and efficiency. With such remarkable specifications, this yacht is crafted to deliver thrilling speed and smooth handling, ensuring every trip is an unforgettable adventure.

Tanks

This yacht boasts a meticulously crafted tank system, ideal for long voyages at sea. It includes a single fuel tank with an impressive capacity of 200 gallons, made from robust aluminum, guaranteeing both durability and safety. This ample fuel storage enables prolonged cruising without the need for frequent refueling, enhancing your maritime experience. Complementing the fuel system is a water tank with a 20-gallon capacity, constructed from premium plastic, ensuring a sufficient supply of fresh water during your journey. Furthermore, the yacht is equipped with a holding tank, facilitating efficient

and eco-friendly waste management. These carefully integrated tanks are designed to offer both convenience and dependability, ensuring your time on the water is both pleasurable and stress-free.

Additional info

This yacht falls into the categories of Center Consoles and Saltwater Fishing, making it a perfect option for enthusiasts of fishing and ocean exploration. It features a single head, offering necessary comfort for longer journeys.

Please be aware that while the company provides the details of this vessel with sincere intent, it cannot assure the accuracy of this information or the vessel's condition. Potential buyers are advised to have their agents or surveyors verify any details they wish to confirm. This vessel is available subject to prior sale, price adjustments, or withdrawal without notice, ensuring that interested parties are kept up-to-date with any changes.
