OVERVIEW

This immaculate 2004 Four Winns 288 Vista Cabin Cruiser, nestled in the scenic Norris Lake, Tennessee, is now on the market. Equipped with twin Volvo Penta 5.0GXi fuel-injected 270HP V8 engines with DuoProp outdrives, this yacht offers a thrilling ride on the water. Inside, you'll find a flexible V-berth dinette, a separate dining space, and a mid-cabin berth, comfortably sleeping up to four guests.

The yacht features a convenient vacuflush head with a shower and a well-appointed galley that includes a DC refrigerator, microwave, single burner electric cooktop, integrated waste bin, and sink. For entertainment, this yacht is equipped with dual TV/DVD players and a sophisticated AM/FM/USB/Aux input/Bluetooth stereo system with speakers in both the cockpit and cabin. Stay comfortable with marine air conditioning that also offers reverse cycle heat, and enjoy the dual bimini tops with a camper canvas and isenglass enclosure. Additional features include bow cushions, a windlass anchor, remote spotlight, GPS/Chartplotter/depth/Fishfinder/sonar, VHF radio, powered engine hatch, and a 5.0Kw generator in a sound box. The Sea-Dek covered swim platform is ideal for relaxation, complete with a Magma gas grill and a swim boarding ladder with handrails. This is a remarkable opportunity to acquire a yacht that blends luxury with practicality, making it a prime choice in yacht sales at its current location.

DETAILED DESCRIPTION

Features & Specs

This exceptional yacht is driven by twin Volvo 5.0GXi I/O V8 engines, each delivering 270HP with fuel injection, and featuring DuoProp outdrives. The port and starboard engines have logged 530 and 548 hours, respectively. It also includes a 5Kw Kohler generator encased in a soundproof box, with only 221 hours of operation. Outfitted with a Lewmar windlass anchor and a reverse cycle marine air conditioning system with heating, it provides 10,000 BTU for ultimate comfort.

The interior showcases a dual dinette configuration with a convertible V-berth dinette, a starboard dinette/settee, and a mid-cabin berth, comfortably accommodating four guests. The yacht is equipped with a VacuFlush wet head, complete with a vanity sink, shower, holding tank, and dockside pump-out system. The radar arch is enhanced by dual bimini tops, a camper canvas Isinglass enclosure, a cockpit cover, and a cabin screen door.

The galley is elegantly equipped with an AC/DC refrigerator, a smooth top electric range, a microwave, a sink, a coffee maker, and a waste bin. The Sea-Dek swim platform features a detachable Magma gas grill and a four-step swim ladder with handrails. The cockpit area includes a removable table with a filler cushion, a sink, an integrated waste bin, and an impressive 13 cupholders. Additionally, there is a built-in 36Qt Igloo carry-on cooler with slide-out storage, snap-in cockpit carpet, and bow sun pad cushions.

Entertainment is delivered through a JVC AM/FM/USB/Aux-Input/Bluetooth/SiriusXM stereo system with four speakers in the cockpit and four in the cabin, all managed by a driver remote. The yacht also includes a 22" LCD HDTV/DVD player and a 13.3" LED TV/DVD player. Communication and navigation are enhanced with a Standard Horizon VHF

radio, a remote spotlight, and a Lowrance LC X-38C HD GPS/chartplotter/depth/fish finder/sonar system. Hydraulic trim tabs ensure smooth navigation, while the double-wide helm seat with a flip-up driver bolster and a tilt woodgrain steering wheel offer comfort and control.

The helm is fitted with a Danforth compass and a comprehensive array of gauges, including a Faria depth finder, speedometer, port/starboard tachometers, engine synchronizer, and a Xintex fume detector. Additional gauges track battery volts, fuel, temperature, oil pressure, and drive trim. A 12-volt power outlet is also provided. Safety features include a Fireboy Halon fire suppression system and a Genmar First Mate emergency locator. The powered engine hatch, onboard battery charger/converter, battery switch, multi-battery isolator, and engine compartment heater ensure dependable operation.

For added convenience, the yacht includes a transom shower with hot and cold water, a dockside water hookup, and a pressure water system. With an overall length of 30 feet, a beam of 9 feet 8 inches, and a dry weight of 9,960 pounds, this yacht offers a draft of 39 inches and a bridge clearance of 9 feet. The deadrise at the transom is 18 degrees, and the cabin headroom is 6 feet 4 inches. A 6-gallon dual-source hot water heater and yacht certification enhance the vessel's allure.

Fuel capacity is generous with two 60-gallon tanks, complemented by a 25-gallon fresh water tank and a 25-gallon waste holding tank. The yacht has a history of fresh water use, ensuring its excellent condition. Additionally, an Ozark front-mount boat lift with a transferable Norris Lake covered slip is available for additional purchase, providing a convenient and secure docking solution.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
