OVERVIEW

"Current price" is offered as a guide only, and all sincere offers are welcome. The 2003 Chris Craft 298 Express Cruiser presents a refined alternative to the often utilitarian appearance of contemporary craft, its signature flared bow, gleaming stainless trim, and deep V hull combining to slice through coastal chop with composure while keeping the deck dry. At roughly 30 feet overall, this Chris Craft balances the sprightly temperament of a twin engine runabout with the comforts of an elegant weekend cruiser, shifting effortlessly between spirited performance and a graceful, compact motor yacht sensibility. Inside, a well laid out cabin and a wide, convivial cockpit create a stylish retreat for sunset gatherings, and enthusiasts who prize time tested craftsmanship and confident on water manners continue to celebrate the 298 as a sought after express cruiser, cabin cruiser, and sport cruiser that fuses heritage styling with modern comfort.

This particular example presents well for its vintage, having been stored on a rack for over a year. It will benefit from new batteries, routine seasonal commissioning, and a thorough detailing to return it to peak showing condition. Step aboard to appreciate the space and finish, then submit your best proposal on this desirable sport yacht and weekend cruiser.

A trailer is not part of this offering. Nationwide transport can be arranged, with custom cradles available and coordination to ports for overseas shipment if desired; logistics assistance and quotes are available on request.

No representation is made regarding the condition of the engines or onboard machinery. Photographs may show the engine space and systems, but it is solely the buyer's responsibility to inspect and verify actual operating status prior to purchase. Do not assume any accessories or loose equipment are included if not present during inspection, as the vessel is offered strictly as viewed. Please base your offer on the equipment and condition you observe.

All particulars are supplied in good faith but are not guaranteed, and buyers should independently confirm any details they consider material. The vessel is offered subject to prior sale, price change, or withdrawal without notice. All marine assets, whether owned or brokered, are sold AS IS, WHERE IS, with no warranty or guarantee expressed or implied, including no warranties of merchantability or fitness for a particular purpose, and no verbal agreements shall alter the terms of sale. For the discerning boater seeking a compact offshore cruiser with timeless lines and a confident ride, this Chris Craft 298 delivers the upscale character and versatile performance that define a true powerboat classic.
