OVERVIEW

PRELIMINARY PHOTOS

Meticulously maintained and offered turnkey, this 2017 Grady-White Canyon 306 is a fully optioned offshore center console that pairs the brand's celebrated seakeeping with tournament-ready fishability and an upscale electronics suite. Twin Yamaha F300 outboards, serviced by the dealer on a disciplined 100-hour and annual maintenance schedule, provide reliable bluewater performance, rendering the boat ready for immediate use and attractively priced for a prompt sale.

Handling and close-quarters control are exceptional thanks to the SeaStar Optimus 360 joystick docking and control system, enhanced by a bow thruster for precise maneuvering in slips and crowded marinas. The helm is anchored by a comprehensive Garmin network with upgraded multifunction displays, radar, autopilot, VHF, and additional navigation and electronics enhancements specified for serious offshore cruising and saltwater fishing. Recent cosmetic refreshes include freshly refinished engine cowling paint with new decals, a professional wax and detail, and fiberglass touch-ups, all contributing to a like-new presentation. Underwater LED lighting creates an elegant nighttime ambiance for dockside entertaining and evening runs. Highlighted by premium Grady-White construction, a spacious fishing cockpit, luxurious seating throughout, and confident offshore capability, this boat also benefits from highly sought-after dry-stack storage at Virginia Key Marina (subject to availability/transferability). This is an exceptional chance to acquire a comprehensively outfitted, upgraded Grady-White Canyon 306 that is impeccably prepared for its next owner.
