OVERVIEW

The current price is provided for guidance only; bona fide offers will be given careful consideration. This distinguished 1988 Hunter Alura 30 is a refined 30-foot Downeast express, perfectly suited to coastal cruising and serious sportfishing, featuring a deep, secure cockpit, a fully appointed galley and a welcoming cabin — an appealing prospect among the much-desired 30 Alura models.

During a refit she suffered a water ingress while alongside the dock; sinking was averted and the yacht was promptly hauled. Both inboard engines took on water and have not been serviced since the incident. On a positive note, new canvas and refreshed soft goods have been fitted, providing an elegant starting point for a comprehensive restoration. Propulsion is provided by Twin Pleasure Craft–GM 350 gasoline V8s coupled to Borg Warner Velvet Drive 71-series transmissions, a reliable drivetrain for this classic express sportfisherman. If you value a timeless hull with an open cockpit for fishing or leisurely weekends, this vessel presents a rare opportunity to submit your offer.

A trailer does not accompany the sale. Nationwide transportation can be arranged through CertifiedMarineTransport, which offers custom cradles and delivery to port for international shipment; our Mendon, MA office stands ready to assist with logistics and cost estimates.
