OVERVIEW

The current asking price is offered as a guideline, and all genuine proposals will be courteously considered. This 2004 Monterey 302 Cruiser is an elegant express cruiser that pairs genuine offshore capability with refined onboard comfort, an ideal step up for owners seeking a sport cruiser capable of extended weekend passages. Its pronounced deep V hull, generous beam and a length overall just over 32 feet give this mid cabin yacht confident tracking through chop, predictable handling at the helm and a cockpit layout that invites relaxed entertaining and effortless movement while underway. Responsive throttle control, composed behavior at speed and the polished fit and finish you expect in a luxury family cruiser make this 302 an attractive platform for stylish coastal cruising and harbor exploration.

The vessel presently requires routine cosmetic attention and general servicing following a period of limited care. The twin engines were replaced in 2024 and currently register low hours; however, because they have seen little recent use they will need commissioning and standard maintenance before regular operation. A trailer accompanies the sale and appears structurally sound, towing well on the highway, which provides practical flexibility for haul outs, storage and overland transport. Prospective buyers are encouraged to inspect the yacht in person and submit offers based on its observed condition.

The included trailer is a robust triple axle configuration befitting this class of performance cruiser. Nationwide and international logistics can be arranged, including fabrication of custom cradles and coordination to departure ports for overseas shipment, and additional trailer solutions are available through our Southeast office if required. Please consult the engines and systems notes in the motors and machinery disclaimer prior to purchase; buyers bear full responsibility for verifying operating condition through their own inspections and surveys.

No representation is made here concerning the present condition of the motors or ancillary machinery. Photographs of the engine room and equipment can be supplied on request, but it remains the buyer's sole obligation to examine and confirm performance and readiness. Do not assume that loose gear, spares or accessories are stored off the vessel; the yacht will be conveyed strictly as seen at the time of inspection. Offers should reflect the inventory and state observed upon viewing.

These particulars are presented in good faith by the Company, but neither the accuracy of the information nor the vessel's condition is guaranteed.

Prospective purchasers should independently verify all statements and specifications. This yacht is offered subject to prior sale, price change or withdrawal without notice.

All marine assets, whether owned or brokered by the Company or its affiliates, are sold strictly AS IS, WHERE IS with no warranty—express or implied—of any kind, including but not limited to merchantability or fitness for a particular purpose. No oral agreements or representations shall alter these terms of sale.

Step aboard this Monterey 302 express cruiser, imagine the tasteful refresh, and present your offer on a well designed mid cabin sport cruiser whose deep V hull, ample beam and solid foundations are ready to reward a discerning owner on the water.
