OVERVIEW

Shore Thing

Shore Thing is an LLC-owned 2022 Axopar 28 Cabin, LOA 30 ft, presented in notably well-kept condition and among the few available in California. Specified with the Premium Package and the desirable aft cabin, it is powered by a 400 hp Mercury Verado outboard showing only 70 hours, delivering confident reliability and spirited performance. A bow thruster and heat add welcome control and comfort, and a dual-axle trailer is included.

With its thoughtful design and strong propulsion, this cruiser is poised to create memorable days on the water—where luxury and performance meet in the Axopar 28 Cabin.
