OVERVIEW

"CURRENT PRICE" IS A REFERENCE. ALL SERIOUS OFFERS WELCOME.

The 2004 Pro-Line 30 Walkaround is a robust, seaworthy crossover that marries genuine offshore capability with the comforts expected for family cruising. With deep, recessed side decks that provide true 360-degree fishability and a secure passage forward, and a surprisingly bright cabin that sleeps four in tasteful comfort, this model balances function and refinement. Constructed with Pro-Line's wood-free F.I.S.T. (Fiberglass Integrated Structural Technology) and a commanding 10'10" beam, she ranks among the broadest and most stable vessels in her class. The open cockpit is arranged for anglers with integrated fishboxes and dedicated tackle space, while below decks a full-featured galley readies the boat for weekend passagemaking; in short, this 30-foot walkaround delivers sportfisher-style performance and liveaboard ease in equal measure, an exceptional value for owners who demand both utility and elegance.

This vessel presents well for its vintage and is reported to be in good overall shape, with only routine seasonal commissioning anticipated. Prospective buyers are encouraged to inspect with confidence and submit offers based on their findings.

Trailer not included. For details regarding engine condition, please see the Motors and Machinery Disclaimer below.

Nationwide transport can be coordinated through reputable marine carriers, and arrangements for custom cradles and port delivery for international shipment can also be accomplished. Logistics support is available upon request to facilitate secure delivery.

No representations are made regarding the condition of engines, generators, systems, or mechanical components. Photographs may depict machinery spaces, but buyers remain solely responsible for inspection and for

determining the actual condition of propulsion and onboard mechanical systems prior to purchase. Do not assume any accessories or stored gear are included; the vessel is sold strictly as viewed. Bid or offer based only on the equipment you personally verify aboard.

Details are offered in good faith but are not guaranteed and do not constitute a warranty of any kind. Buyers are strongly encouraged to independently verify all specifications and features. Availability, price, and terms are subject to change or withdrawal without notice.

AS-IS, WHERE-IS — All marine assets, owned or brokered, are sold AS-IS, WHERE-IS, with NO WARRANTY—express or implied—including NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. No verbal agreements shall alter these terms.
