OVERVIEW

The Scanner Envy 950 presents itself as a refined 9.5-meter luxury RIB and powerboat, its 3.3-meter beam sculpted to enhance stability and comfort while at rest or under way. Propelled by twin Volvo Penta 350 HP engines, she settles into a composed cruising pace of 29 knots yet can sprint to an exciting 42-knot top speed, marrying assured performance, nimble handling and admirable fuel efficiency for a genuine sport cruiser temperament.

A modern, purposeful arrangement makes the most of every centimeter for relaxation and conviviality, with expansive sunpads and fluid circulation around the deck boosting onboard comfort. A discreetly integrated cabin lends practical versatility for extended passages or overnight stays, so the Envy 950 functions as seamlessly as a day cruiser, weekender or high-end tender.

From tranquil coastal passages to secluded beach landings and lively fishing excursions, the Scanner Envy 950 offers a persuasive blend of luxury, adaptability and velocity, embodied in a strikingly contemporary powerboat design.

DETAILED DESCRIPTION

Features

Driven by twin Volvo Penta V8 350 hp engines, this boat offers lively acceleration and assured cruising performance while an electric windlass makes anchoring quick and effortless. A compact cabin with a true double bed welcomes spontaneous overnights, and a Rockford Fosgate sound system sets an immersive soundtrack as a Raymarine navigation center provides clear, intuitive guidance at the helm. On deck, a teak cockpit gives warm, secure footing, accompanied by a cockpit shower for rinsing after a swim, a protective cockpit cover for when the day is done, and a bimini that unfolds to cast generous shade. A retractable bathing ladder at the swim platform ensures easy reboarding from the water, and cleverly integrated, generous storage keeps gear neatly stowed so the deck remains beautifully uncluttered.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
