## OVERVIEW

---

The listed price is offered as a guideline; reasonable offers will be thoughtfully considered.

A 2008 Sea Ray 310 Sundancer that marries refined comfort with spirited performance, this express cruiser wears a sleek profile and is propelled by twin MerCruiser engines that provide composed handling and a confident, smooth ride suited to weekend getaways or extended coastal passages. Beneath the deck the cabin is appointed with warm wood finishes and exudes the ambiance of a larger yacht, featuring a fully equipped galley, a convertible dinette and sleeping arrangements for up to six. The cockpit is generous and inviting, with plentiful seating, a wet bar and direct, effortless access to the extended swim platform—perfect for entertaining, relaxing, and easy water entry. A standout among express and sport cruisers, this Sea Ray functions as both a weekend motor yacht and a versatile family cruiser, presenting an attractive opportunity for those seeking a 310 Sundancer with strong performance and style.

Overall the vessel presents well and was operated under its own power to the marina for haul-out; it has been reported that one engine displays low compression. Prospective buyers are encouraged to inspect, evaluate and submit offers accordingly.

Trailer is not included with this sale.

Nationwide and international transport support is available, including the provision of custom cradles and port delivery for export, with shipping quotes available upon request.

For information regarding engine condition, please refer to the Motors and Machinery Disclaimer.
