OVERVIEW

Located in Greenville, South Carolina, the 2024 Sea Fox 328 COMMANDER pairs upscale appointments with genuine offshore capability. This freshwater center console has just 56 hours on twin Yamaha 450s, delivering a combined 900 horsepower, and is fitted with Helm Master joystick control and digital throttles for precise handling. The hull is finished in Bahama Blue beneath a powder coated hardtop, while upgraded grey upholstery elevates the cockpit's aesthetic. Onboard systems include an LED tech suite, dual 24 inch Garmin displays and air conditioning with inverter, and the layout is enhanced by a ski tow bar and dive door for recreational flexibility; outriggers broaden its sportfishing potential. A full mooring cover and a triple axle Majic Tilt trailer are included. Never beached and presented in showroom new condition, this Sea Fox is equally at home as a hard working offshore fishing platform or an elegant day boat for friends and family.
