OVERVIEW

Moored in Ibiza, Spain.

This polished, contemporary motor yacht and sport cruiser blends exhilarating performance with indulgent comfort, its airy deck layout functioning equally well as a true dayboat and an open yacht. Expansive sunpads and generous, lounge-like seating at both bow and stern invite relaxed family moments or sophisticated gatherings with friends, while the walkaround circulation enhances ease and sociability on board.

Propelled by twin Mercury Verado outboard engines, this outboard powerboat offers brisk, economical cruising well suited to longer passages. In September 2024 both lower units were replaced and upgraded to Mercury HD and the bow thruster was renewed, ensuring confident, trouble-free operation. A carefully tuned hull form and a well-balanced distribution of weight yield supple, predictable handling, even in tight, close-quarters maneuvers.

Below decks a fully fitted head and a welcoming aft double cabin provide a true weekender layout, delivering everything required for carefree days afloat or an effortless overnight. Rated to carry up to ten guests, this walkaround-style day cruiser serves up an exciting yet composed ride, marrying impressively low noise levels with modest running and maintenance costs.

DETAILED DESCRIPTION

Features

Powered by twin Mercury Verado 300 HP petrol engines, two in total, this boat delivers confident performance and agile handling, further enhanced by a responsive bow thruster for effortless docking. A thoughtful one-cabin layout pairs day-boat freedom with overnight comfort, complemented by an electric toilet for true onboard convenience. On deck, a shower and a sturdy swimming ladder invite easy swim stops, while a protective cockpit cover keeps the social space dry and shaded. Striking, modern lines and amazing design features turn heads in every marina, yet the boat remains eminently practical—an excellent choice for charter operations and an equally perfect companion for family adventures.
