OVERVIEW

Dark Grey presents in pristine condition, freshly serviced and presently berthed in Palma de Mallorca, the product of meticulous ownership with no expense spared as the current owner moves to a larger model. Celebrated for sporting performance and elegant proportions, the Frauscher 1017 GT—often described as a gentlemen’s racer—offers a compelling choice for those seeking a luxury powerboat or sports cruiser that marries pure exhilaration with refined poise. Lauded for its impressive speed and impeccably precise handling, it stands out within the high-performance motor yacht and speedboat segment.

Her lines conceal a purposeful deep-V hull that delivers a composed, confident ride in choppy seas, while extensive sunbathing areas invite relaxed days afloat. Below deck a sumptuous cabin provides contemporary conveniences—a refrigerator, an electric toilet and a shower—ensuring comfort as readily as excitement. Desirable factory and aftermarket options, such as a premium audio system, underwater lighting and bespoke colour schemes for hull and deck, allow personalization to suit the most exacting tastes.

Standard fittings underline both luxury and practicality, with a bow thruster for effortless close-quarters handling, an electric windlass for secure anchoring and LED illumination throughout for atmosphere and visibility. More than a swift weekender, dayboat, express cruiser or superyacht tender, this open cruiser is a statement in nautical elegance for those who prize the seamless union of speed, style and cultivated seamanship.
