DETAILED DESCRIPTION

Description

This 2012 Key Largo 34 perfectly embodies the distinctive Italian design and craftsmanship of Sessa Marine, marrying athletic performance with refined comfort in a highly functional 10-meter open cruiser. With an overall length of 9.90 meters and a beam of 3.30 meters, her well-balanced layout maximizes both exterior and interior volume. The sociable cockpit invites long, unhurried days on the water, with generous wraparound seating, a central dining table, a wet bar, and unhindered circulation from helm to transom. A large forward sunpad and an extended swim platform amplify onboard enjoyment, making anchoring, swimming, and watersports effortless pleasures. She is powered by twin Yamaha V6 300 HP outboards for a combined 600 HP, a proven pairing that delivers brisk acceleration, composed cruising, and reassuring handling in moderate sea conditions. The outboard configuration frees valuable interior space while maintaining strong efficiency and straightforward serviceability. Below deck, the interior is thoughtfully arranged for weekend cruising, offering a comfortable double berth, a fully equipped galley area, a separate bathroom with electric toilet and shower, and practical storage throughout. Navigation equipment includes GPS/plotter, VHF radio, and a depth sounder to support safe, reliable coastal passages. CE Category B certified and rated for up to 10 persons, the Key Largo 34 stands out as a compelling choice in the premium 30–35 ft segment, ideal for owners who value a sporty, Mediterranean-style cruiser with elegant lines and proven performance.
