## OVERVIEW

---

Elegantly balanced between performance and refinement, this motor yacht is driven by twin 400HP Mercury V10 outboards, finished in white and guided effortlessly with a JPO joystick piloting system, set against a classic white hull that complements a jet black canvas package and an elegant grey deck floor. The profile is defined by a coupe hardtop enclosure with an opening side windshield and an extended aft sunshade that delivers generous coverage, while a forward lounge benefits from its own dedicated bow sunshade. Practicality and comfort are married throughout: onboard power is standard 120V/60Hz, supported by a gas generator (120V/60Hz), dual voltage refrigeration in the cockpit (120V/60-12V), and a built in 120V/60Hz cockpit grill, with air conditioning and heat serving both cockpit and cabin on 120V/60. Inside, the cockpit is appointed with ivory toned upholstery surrounding a fiberglass table topped with teak overlay, and subtle RGBW LED lighting with thru hull accents sets an atmospheric tone from stem to stern. The interior follows a driftwood palette (standard) and safety systems include a macerator with seacock interlock. Anchoring is handled by an all chain windlass paired with a galvanized anchor, and helm sophistication arrives via dual 12" digital displays with SmartCraft Connect for crisp instrumentation and seamless control.

## DETAILED DESCRIPTION

---

### 2026 Sea Ray Sundancer 320 outboard

---

This like-new 2026 Sea Ray Sundancer 320 Outboard is powered by twin Mercury V10 400 outboards showing just 9 hours of run time—practically brand-new power. Inside, a well-appointed head extends your time on the water with true comfort and convenience, whether you're setting off for long outings or savoring effortless day trips. The intuitive joystick control makes close-quarters maneuvering and docking remarkably simple, inspiring confidence in experienced captains and welcoming newcomers with ease. Seamlessly blending luxury and performance, the Sundancer 320 Outboard from Sea Ray is ready to elevate every moment of your boating experience.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
