OVERVIEW

Rewritten Description

The 2025 Chaparral 310 OSX stands as a premier 32'6" sport yacht, driven by outboard motors, that masterfully blends sophistication, exceptional performance, and versatility for the discerning mariner. This yacht, available for purchase, is equipped with twin Yamaha F300XSB2 four-stroke engines, providing a powerful 600 horsepower for impressive speed and nimbleness.

The yacht features a spacious cockpit with chaise lounge seating at the bow, a flexible aft lounge that transforms into a sunbed, and a wet bar complete with a refrigerator and sink, ideal for hosting gatherings on the water. At the helm, dual 12" Simrad NSX EVO3S touchscreens offer state-of-the-art navigation and control, with the optional Yamaha Helm Master EX system enhancing docking accuracy.

Below deck, the cabin includes a forward berth with a memory foam mattress, an electric toilet, and optional 12V air conditioning, ensuring a comfortable overnight experience. With a beam of 9'6" and a weight of 9,500 lbs, this yacht can host up to 12 guests and is built with a Kevlar-reinforced hull for enduring durability.

Whether you're cruising along the coast or entertaining friends, the Chaparral 310 OSX offers an unmatched yachting experience. Explore yacht sales at the current boat location and seize the chance to own a yacht that embodies luxury and high performance.

DETAILED DESCRIPTION

Standard Key Features

Rewritten Description

This yacht is a masterpiece of design, offering a remarkable blend of performance and luxury. Its exterior is gracefully finished in Steel Blue on the hull sides, contrasted by a White Bottom, and highlighted with a Metallic Hull Stripe in Alloy Gray. The cockpit interior is elegantly styled in Slate, featuring "Envision" Premium Stain Resistant Silicone Fabric, which combines both aesthetic appeal and resilience.

For those who prioritize dependability, the yacht includes a 120V Triple Bank 20 Amp Battery Charger and is backed by a 5-Year Premier Level Limited Component Warranty, ensuring long-term peace of mind. The bow is equipped with lounge seating for three, complete with two foldable armrests, ideal for unwinding. A versatile table with side-mounted bases is available in both the cockpit and bow, enhancing onboard social interactions.

The helm features a custom three-person seat, providing both comfort and control, while the fiberglass hard top with a bonded skylight and oversized powder-coated frame offers both protection and style, complemented by overhead LED lighting. The full beam swim platform invites you to enjoy the water, and the Kevlar-reinforced hull guarantees strength and longevity, supported by a Limited Lifetime Hull Warranty.

Navigational and operational excellence is ensured with power-assisted Sea Star tilt hydraulic steering and dual Simrad NSX12 EVO3 displays, which include GPS, chartplotter, transducer, and engine data. Additionally, the yacht is equipped with a windlass, complete with rope, chain, and anchor, simplifying

the anchoring process. This yacht is the epitome of luxury, performance, and reliability, crafted for those who seek the finest.

Optional features

Rewritten Description

This yacht is equipped with a variety of optional features that elevate comfort, convenience, and elegance on the water. Revel in the luxury of 12V air conditioning, which maintains a refreshing and pleasant atmosphere even on the hottest days. The electric toilet with overboard discharge adds a modern touch, enhancing the onboard living experience.

For those who love fishing or simply unwinding with a drink, the stainless steel holders for drinks and rods offer practical utility. The Yamaha Helm Master EX system boosts maneuverability, providing precise control and effortless handling, particularly advantageous in tight docking scenarios.

A flag pole introduces a timeless nautical element, while the Sureshade electric retractable canvas offers shade at the push of a button, allowing you to bask in the sun or find shelter as needed. Dual color LED underwater lights produce a breathtaking visual display, illuminating the water around the yacht and enriching the atmosphere during evening cruises.

To safeguard your investment, the yacht includes a bow and cockpit cover in a sleek black finish, ensuring your vessel stays in immaculate condition when not in use. These optional features come together to deliver a superior yachting experience, crafted to satisfy the desires of discerning owners.
