## OVERVIEW

---

The owner is eagerly anticipating the arrival of a new yacht and is keen to make a swift sale!

This 2019 33 Invincible, situated in the lively Fort Lauderdale region, is powered by robust twin Mercury Verado 350 engines, with just 670 hours on them and warranty coverage extending until June 2025. The vessel boasts a striking Shark Grey hull paired with a pristine White bottom, highlighting its sophisticated design. It has been meticulously maintained, with no bottom paint applied, and has been kept undercover since new, ensuring it remains in pristine condition. Additionally, the triple-axle trailer has been thoroughly serviced, with new brakes fitted in December 2023, making it ready for your next maritime journey. This represents a prime opportunity in the Fort Lauderdale yacht market for those seeking a vessel that seamlessly blends luxury with performance.

# DETAILED DESCRIPTION

---

## Section name

---

The Company provides the information about this yacht with honest intentions but cannot assure the precision of these details or the vessel's condition. Prospective buyers are advised to have their agents or surveyors verify the particulars they consider essential. This yacht is available for sale, but it may be sold, have its price altered, or be withdrawn from the market without prior notice.

This yacht is offered with a dedication to openness, yet it is crucial to understand that while the details are shared with genuine intent, their accuracy is not guaranteed. The condition of the yacht is not assured, and potential buyers are strongly encouraged to employ their own agents or surveyors to thoroughly examine and confirm the details they find important. The yacht's availability is subject to change, including potential prior sale, price modifications, or removal from the market without notice.

## Overview

---

This remarkable yacht is equipped with twin Mercury Verado 350 engines, which have accumulated 670 hours of use and are under warranty until June 2025, providing assurance to the future owner. The yacht's navigational capabilities are enhanced by cutting-edge Garmin electronics, ensuring accurate and dependable guidance on every journey. To further improve its handling, a 96-inch Rhodan trolling motor was added in June 2022, delivering exceptional control and performance.

The vessel features an eye-catching shark grey hull paired with a spotless white bottom, and importantly, it has never been treated with bottom paint,

maintaining its sleek look. Since acquisition, the yacht has been carefully stored under cover, shielding it from the elements and preserving its pristine condition.

For those who appreciate ease and flexibility, the yacht is accompanied by a fully serviced triple-axle trailer, which had new brakes installed in December 2023, guaranteeing safe and efficient transportation. This yacht embodies an ideal combination of elegance, performance, and functionality, poised to offer unforgettable adventures on the water.

## Mechanics

---

This vessel is powered by twin 350 Mercury Verado engines, which have logged 670 hours, demonstrating their dependability and efficiency. These engines are covered by a warranty until June 2025, offering extra peace of mind and confidence to the owner. Importantly, the lower units of these engines are scheduled for replacement under warranty, with delivery pending due to paint and primer concerns. This proactive approach to maintenance ensures the yacht stays in peak condition, prepared to offer outstanding performance on the water.

## Equipment

---

This yacht is equipped with a remarkable selection of features designed to elevate both functionality and comfort while at sea. The hardtop is fitted with navigation lights and an impressive 48-inch Black Oak light bar, ensuring superior visibility. Beneath, red, white, and blue LED lights create a lively ambiance, enhanced by three LED spreader lights and two underwater lights that cast a beautiful blue and white illumination.

The deck is lined with Sea Deck flooring, providing a comfortable and non-slip surface throughout. For those passionate about fishing, the yacht includes

Rupp outriggers, two Kingfish rod holders, and a total of 14 rod holders along the gunwale, five centrally located, and two swivel rod holders. The hardtop itself is equipped with five additional rod holders, making it a true angler's paradise. The deluxe tackle station with a leaning post and a fiberglass cooler on a sliding track system further enrich the fishing experience.

The yacht also features a 3-panel polycarbonate enclosure with two wing panels, offering protection from the elements while maintaining clear visibility. The powder-coated finish package adds a layer of elegance and resilience. For anchoring, an anchor windlass is provided, ensuring straightforward operation. Storage and utility are thoughtfully addressed, with insulated front fish boxes, diaphragm pumps for both forward and rear fish boxes, and a livewell sea chest with three pumps, replaced in June 2022. Electric reel outlets are strategically placed, and the forward bench seating includes a removable backrest cushion for enhanced comfort.

The yacht is fitted with both fresh and saltwater washdown systems, complete with hose coil kits, simplifying cleaning tasks. A sturdy rub rail with a stainless steel insert enhances the vessel's durability, while a dive ladder and an extra battery, replaced in June 2022, ensure preparedness for any adventure. The bilges, anchor locker, and storage lockers are all finished with Awl-Grip, providing a pristine and polished appearance. This extensive equipment package ensures the yacht is ready for any journey, seamlessly blending practicality with luxury.

## Comfort & features

---

This yacht exemplifies the pinnacle of comfort and utility, featuring a bespoke two-tone gelcoat in shark grey and bright white, accentuated by the painted underside of the hardtop. The full coaming bolsters and kneepad bolster at the center console offer enhanced comfort and support, while the gunmetal cushions with charcoal piping and grey top stitching lend an air of

sophistication to the design.

The yacht boasts a single-level deck with 360-degree walkaround capability, facilitating effortless movement and access throughout. With a generous 320-gallon fuel capacity, the vessel provides an impressive range exceeding 425 nautical miles, ideal for long voyages. Safety and efficiency are assured with three automatic bilge pumps rated at 2,000 GPH, and the hull, crafted from 100% vinylester resin with 316 stainless-steel hardware, ensures strength and durability.

Outfitted with waterproof switches and a circuit breaker protected system, the yacht promises reliability in any condition. Under-gunnel lighting creates an elegant atmosphere, and the sink with tackle drawers and saltwater washdown offers added convenience for fishing aficionados. The transom door, deluxe console, and spacious area for a full-sized head further enhance the yacht's practicality and comfort, making it a perfect choice for those who desire both luxury and functionality on the water.

## Electronics

---

This yacht is outfitted with an extensive array of cutting-edge electronics, guaranteeing precise navigation and top-notch entertainment. Central to the navigation system is the Garmin 7616 GPSMAP touch screen chart plotter, seamlessly integrated with the engines for comprehensive performance monitoring. Enhancing this setup is the Garmin 7616XSV GPSMAP sounder and chart plotter, paired with the Airmar 1 KW dual frequency CHIRP transducer, offering unmatched depth and fish detection capabilities.

For radar requirements, the yacht is equipped with the robust Garmin GMR 1224 xHD2 12kW open array radar, providing outstanding range and clarity. The Garmin GHP™ Reactor autopilot ensures smooth and precise course maintenance, while the Garmin temperature sensor and GXM-53 Sirius weather module keep you updated on environmental conditions.

Communication is managed by the Icom M-424 VHF radio, coupled with a Shakespeare 5225 XP 8 ft. VHF antenna, ensuring clear and dependable communication. For entertainment, the yacht features a Fusion RA770 stereo with Bluetooth connectivity, allowing effortless music streaming. The JL Audio sound system, with six 8.8 coaxial speakers and powerful amplifiers (M800/8 and M400/4), offers an immersive audio experience.

Moreover, a USB dash outlet is conveniently available for charging devices, ensuring all your electronic needs are met while on board. This sophisticated electronics suite ensures that every voyage is both secure and enjoyable, blending state-of-the-art technology with intuitive functionality.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
