## OVERVIEW

---

SEA PRO visionary Jimmy Hancock, joined by Tidewater Boats co-founder Preston Wrenn, has resurrected a celebrated name in the mid-tier center console saltwater sportfishing arena, crafting a polished, luxury powerboat tailored for both inshore and offshore anglers.

Dubbed "The Next Wave," this new chapter premiered in spring 2015 with the unveiling of its flagship 208 Bay Series bay boat and fishing yacht, built in Whitmire, South Carolina, and manufactured in a contemporary 200,000 square foot facility.

# DETAILED DESCRIPTION

---

## 2024 Sea Pro 322 offshore

---

Purpose built for bluewater confidence, the 2024 Sea Pro 322 Offshore arrives fully appointed with standard features that read like a premium options list, starting at the helm where a sleek black acrylic glass bridge frames two SIMRAD NSO19 EVO3 displays paired to an SS175M CHIRP transducer and accompanied by a SIMRAD OP50 remote at the captain's seat and a SIMRAD RS40 VHF with mount and antenna for crisp communication. The helm elevates control and comfort with Optimus EPS steering featuring a tilt helm and DLX steering wheel, deluxe helm seats with electric slides, a deluxe helm pad, a helm dry box organizer with dual USB ports and a bow dry box organizer with dual USB ports, plus an extra large console seat and an integrated T Top windshield with wiper for protection and visibility. For seamless connectivity and peace of mind, SEA PRO CONNECT by Boat Fix comes standard, while a porcelain pump out head with overboard discharge and an electric hi low bow table bring yacht caliber convenience to every outing.

Designed to fish hard and cruise effortlessly, the deck is outfitted with a raw water washdown, two 30 gallon pressurized live wells and a custom polished stainless steel sea chest with Bait Sentry pumps, with port and starboard macerated fish boxes in the floor to keep the day's catch pristine. Angling ergonomics continue with electric outlets for downriggers and electric reels, eleven SS flush mount rod holders and seven stainless cupholders, while a deluxe fiberglass leaning post integrates tackle storage, a fresh water sink and a tournament bait prep station. Comfort and access are effortless via a side entry door, a rear telescoping entry ladder, a GG Schmitt rear bench seat and an 80 liter Sea Pro cooler on a smooth cooler slide. Commanding visibility and safety lighting are assured by a Lumitec Razor flood light bar, spreader lights

and flush nav/docking lights, further enhanced by high intensity underwater lights and DLX trim tabs with dual actuators and LED indicator strips. Ground tackle and onboard power management are equally robust with an E Z Anchor drum windlass with 300' rope and foot switches, remote battery switch key fobs with ACR and a DLX distribution panel, and two Rule Mate 1500 GPH bilge pumps, and confidence is standard with a 5 year limited bow to stern warranty and a 10 year limited transferable hull warranty.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
