DETAILED DESCRIPTION

Summary

This 2022 Sea Ray 320 Sundancer, "Lady Iryna," is a versatile cruiser crafted for effortless comfort on the water, with spacious seating and sociable gathering areas that invite both lively entertaining and serene relaxation. A bright, modern cabin makes overnighting or extended coastal escapes a pleasure, while the vessel's sophisticated fit and finish—inside and out—showcases precision craftsmanship in every line and surface. Reliable outboard power delivers smooth, confident cruising wherever your next adventure leads. Perfect for indulgent weekends away or languid day trips across the bay, "Lady Iryna" blends performance, luxury, and comfort into a thoroughly modern yachting experience.

Key features and design

A versatile deck plan introduces three distinct entertainment zones, each thoughtfully arranged to maximize space and usability for any moment on the water. Forward, the bow lounge is notably expansive, offering three forward-facing lounge seats with adjustable headrests and fold-down armrests, with an optional sunshade available to tailor the ambiance to the day. The open cockpit invites gathering with convertible seating, a wet bar and an available grill and refrigerator, complemented by a fiberglass table that anchors the space for casual dining and conversation. Below, the cabin expands your cruising envelope with overnight accommodations for four, pairing a convertible V-berth with an aft cabin that can be configured as a queen or two single beds. The interior is richly appointed with solid surface countertops, warm wood details, large hull-side windows, and extensive storage, and it includes a microwave, a refrigerator, and an enclosed head with

a toilet and shower—every element curated for comfort and ease.

Accommodations

Designed for restorative nights on board, the accommodations sleep four comfortably, combining a mid berth with twin beds that convert to a queen and a forward V berth conversion to suit changing plans and parties. The forward salon centers dining with a dedicated set that invites lingering over meals, while the fully enclosed head features a built-in shower for refreshing privacy. The galley brings seagoing practicality and polish together with a Corian-like countertop, ample storage lockers, cabinets, and drawers, and a polished stainless steel faucet serving as a refined focal point. A cabinet-mounted Commercial Chef microwave pairs with a cabinet-mounted 120VAC/12V upright fridge/freezer with lock, ensuring provisions stay organized and secure underway.

Electronics

Confident navigation and entertainment come standard with a SIMRAD VHF radio and two SIMRAD MFD screens at the helm, supported by a Mercury SmartPilot autohelm system for precise, stress-free cruising. Onboard audio and media are anchored by a FUSION MS-IP700i AM/FM stereo/dock/satellite radio and a FUSION cabin entertainment unit, complemented by a Sansui TV for relaxed downtime. Ship's power and charging are managed by a 12VDC electrical system, two ProMariner 12.40 and 12.30 battery chargers, and two Hubbel 30 shore power legs, while a Westerbeke generator and a Kuuma Innovations water heater provide reliable comfort whenever you venture beyond the marina.

Cockpit features

Life in the open air is effortless in the cockpit, where a wet bar with sink, a Kenyon stainless steel electric grill, and an Isotherm refrigerator keep refreshments close at hand. A hot/cold shower awaits in the starboard aft cockpit for a quick rinse after a swim, and beige upholstered cushions elevate both comfort and style. Aft, the inviting L shaped seating, complete with cushions and storage below, creates a congenial setting for conversation under way or at anchor.

Hull and deck

Her presence on the water is instantly recognizable with a 'Quantum Blue' gel coated hull that gleams in any light. Enjoy easy water access from the Euro Style swim platform, complete with swim ladder for graceful entries and exits. A fiberglass radar arch/hardtop defines the profile and provides practical shelter, while Sunbrella type fabric trimmed window enclosure curtains extend your comfort in shifting weather. Underwater LED lights add a touch of theater after dusk, transforming evenings at anchor into something unforgettable.
