OVERVIEW

2020 Sea Fox 328 Commander

Discover a world of comfort, storage, and fishing amenities!

151 Hours Young!

The Sea Fox 328 Commander is a powerhouse on water, reaching speeds of up to 52 miles per hour. Powered by twin Yamaha F300s or F350s, this vessel is remarkably nimble while maintaining the sturdiness expected in its class. With an expansive 10' 8" beam and a pronounced Carolina flare at the bow, the 328 Commander is packed with more standard features than anticipated.

This feature-laden yacht provides ample room, generous seating, and abundant storage, along with a variety of fishing options to delight every family member. If you're considering a yacht for sale, this is an exceptional opportunity to buy a yacht that stands out in yacht sales in the current boat location.
