Eager to Sell

The Wellcraft 32 is a dream for those who want to reach their fishing spots swiftly. With its broad beam and deep cockpit, this vessel offers a spacious and steady fishing experience. Its high-performance stepped hull ensures rapid acceleration and impressive speed on the water. The Scarab's deck design mirrors that of many similar yachts. It features a large live well and a bait-prep area with a sink and cutting board integrated into the transom. Four insulated fish boxes, two at the back and one on each side of the console, come with pump-outs. Inside the console, you'll find a standup head compartment equipped with a sink, handheld shower, marine toilet (with a 10-gallon holding tank), and two opening ports. The helm provides ample space for electronics, complemented by a standard flip-up bolster seat. Anglers will appreciate the coaming pads, recessed toe rail at the bow, and pop-up cleats. Additional amenities include a swim platform with a boarding ladder, anchor locker, console seat with cooler, dual washdowns, and a walk-through transom. Powered by twin 250hp Evinrude outboards, this yacht can reach speeds of around 45 knots. No bottom paint required, the hull is in pristine condition.

## TOP FEATURES
