GENERAL DESCRIPTION The 2004 Sea Ray 320 Sundancer embodies refined cruising in a compact 32-foot express cruiser, marrying graceful lines with capable performance for memorable day outings and weekend retreats. Its swept, raked silhouette and intelligently laid-out cockpit create an inviting environment for socializing, while the below-deck accommodations provide comfortable volume with a tranquil forward berth, a well-equipped galley and a modern enclosed head. Combining Sea Ray's recognized build quality with tasteful styling and practical amenities, this 320 Sundancer represents an elegant, family-oriented sport cruiser for those seeking a versatile mid-cabin experience on the water.

ACTUAL CONDITION Attention is required on the port engine; work was initiated by a previous owner and the necessary parts are on site, though the repair remains incomplete. Aside from this issue the vessel presents attractively and benefits from an enclosure that is nearly new. Prospective buyers are encouraged to inspect the boat and to submit their best offers.

EQUIPMENT A trailer is not included in this sale. Comprehensive logistics support is available nationwide, with options for custom cradles and delivery to ports for international shipment; transportation quotes can be provided on request. Separate sourcing of trailers is possible through affiliated partners.

ENGINE(S) CONDITION Please see the Motors and Machinery Disclaimer for important information regarding engine and machinery condition.

TRANSPORTATION Door-to-door shipping within the United States and coordination to international ports can be arranged, including custom crating solutions to ensure secure handling for export. Full logistics coordination and written quotations are available upon inquiry.

MOTORS AND MACHINERY DISCLAIMER No representation is made as to the condition of the engines, propulsion systems, generators or any other onboard machinery. Photographs that show the engine room or equipment are for illustrative purposes only; it is solely the buyer's responsibility to inspect and verify the actual condition of mechanical systems.

Do not assume that any accessories or loose gear are included or stored elsewhere; this vessel is offered for sale exactly as viewed. Bids and offers should be based on the inventory observed at the time of inspection.

The Company has supplied these particulars in good faith but cannot guarantee or warrant the accuracy of the information or the condition of the vessel. Buyers should independently verify all details. This offering may be changed, withdrawn or sold prior to notice.

All marine assets offered by the Company or its associates are sold AS-IS, WHERE-IS, with NO WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, including any warranty of merchantability or fitness for a particular purpose. No verbal statements will alter the written terms of sale for this marine product.
