OVERVIEW

TT SEA NOTE is a 2015 EDGEWATER 320CC, a rugged offshore center console refined for duty as a yacht tender. She combines EdgeWater's trusted ride and construction with a serious electronics suite, purposeful fishing hardware, and a professional towing arrangement tailored for tender service.

Power comes from twin Yamaha 300s with approximately 150 hours on new powerheads, reflecting roughly $42,000 in recent engine work.

Equipment includes a Garmin 12-inch chartplotter, 1kW transducer with side-scan capability, Garmin VHF radio, Fusion Bluetooth stereo feeding four JL Audio speakers, freshwater and saltwater washdowns, an enclosed head with holding tank, outriggers with custom mounts, and a dedicated yacht tender towing setup. The twin Yamaha 300s with approximately 150 hours on the new powerheads and the approximately $42,000 powerhead replacement underscore diligent mechanical care.

Equally at home as a large yacht tender, an offshore fishing platform, or a versatile family center console, this 32 foot EDGEWATER delivers a compelling blend of capability, equipment, range, and proven offshore build. The professional towing arrangement is a standout advantage for owners seeking a properly configured tender that can be towed behind a larger motor yacht without starting from scratch. Available for personal showing; turn key and ready.
