OVERVIEW

“Current Price” is an estimate only; respectful offers are encouraged. The Century 3200 Walkaround is a seaworthy 32 foot deep V fiberglass walkaround that elegantly marries comfortable day cruising appointments with genuine bluewater sportfishing capability, delivering assured performance and thoughtful, practical features for the discerning recreational boater. This refined sportfish/express walkaround represents a compelling opportunity for those seeking versatile offshore performance in a compact and attractive package.

The boat has been stored on a rack for roughly one year; while the engines are reported to run, she will require seasonal commissioning, new batteries, and a comprehensive detailing before active use. There is a noted, localized area of delamination on the port hull side; prospective buyers are urged to inspect the vessel in person and are welcome to submit offers based on their findings.

A trailer is not included with this offering. We provide nationwide and international transport solutions through trusted marine logistics partners, including custom cradle fabrication and port delivery for overseas export—please contact our team to coordinate shipping details and obtain quotations. Photographs may show machinery spaces for reference, but no representation is made regarding the condition of mechanical components; evaluation and verification of engines and systems remain the buyer’s responsibility.

Motors and machinery disclaimer: no statement is made here as to the condition of engines, motors, or onboard systems, and any imagery is intended for general reference only. Buyers must independently inspect and satisfy themselves as to the true condition of all mechanical and electrical systems. Transportation support is available coast to coast and internationally via certified carriers with custom cradle and export services,

and our office can assist with logistical planning and cost estimates.

Do not assume that additional accessories or loose gear are included or in storage; the vessel is offered strictly as viewed, and any offer should reflect the inventory and condition observed at the time of inspection. All particulars are presented in good faith but are not guaranteed, and the condition of the vessel is not warranted; purchasers should independently confirm any information deemed material. The yacht is offered subject to prior sale, price change, or withdrawal without notice. All marine assets marketed or sold by our firm and affiliates are sold strictly AS IS, WHERE IS, with NO WARRANTY, express or implied, including NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, and no verbal agreements will modify these terms.
