OVERVIEW

“Serenita” – A Remarkable Century 3200

“Serenita” is a Center Console that boasts an impressive array of performance fishing features, catering to both tournament competitors and leisure enthusiasts. This luxurious vessel, adorned with an Ice Blue hull, has had only one owner and comes with comprehensive service records, showcasing its pristine condition. Always kept in dry storage, this yacht is a true gem in the current boat location.

Propulsion:

Equipped with twin Yamaha 300XCA engines, this yacht glides effortlessly through the water, with engine hours at 344 and 345 respectively.

Fishing Equipped:

This vessel has never been utilized for fishing, ensuring that all equipment remains in like-new condition. It features an oversized 60-gallon live bait well, a cleaning station complete with a sink, and lockable rod storage on both sides of the hull and within the cabin. Additionally, it includes 277-quart fish boxes at the stern with macerator drainage, along with two forward fish boxes. Tackle trays tilt out on both port and starboard sides, and there are six gunwale rod holders for convenience.

Electronics:

The yacht is outfitted with advanced electronic systems, including electronic wire motor control, electronic steering, and a Yamaha engine monitoring system that tracks travel and maintenance logs. It also features an autopilot, battery charger, stereo system, and a Raymarine 10” GPS with radar and depth capabilities. The Optimus joystick docking system, enhanced with SkyHook Technology, and a VHF radio with a 6’ whip antenna complete the high-tech offerings.

Features:

Enjoy the comfort of two forward-facing seats with armrests at the helm station, along with a bow entertainment table that includes side backrests. The yacht's high freeboard ensures safety, while the oversized hardtop provides ample sun protection. Additional amenities include a transom shower, fresh water washdown system, a large stern access door with a diver swim ladder, underwater lights, and elegant Nantucket sand upholstery. An electric windlass adds to the convenience.

Cabin:

The cabin features a cozy single berth, complete with a pump-out head, sink, and storage. With a headroom of 6'6", it accommodates taller individuals comfortably.

"Serenita" is in outstanding condition and awaits its next discerning owner. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that combines luxury and performance.
