OVERVIEW

The 2025 Navan S30 stands as a premier center console yacht, designed to deliver both exceptional performance and luxury, ideal for coastal adventures and day excursions. Spanning 33' 7" in length with a beam of 9' 10", it can comfortably host up to 12 passengers. This yacht, available for purchase, is driven by twin Mercury 300XL JPO 4-Stroke outboard motors, providing impressive speed and fuel efficiency. The S30 features a distinctive twin-step T-Step Hull, which enhances its agility and stability on the water. On deck, you'll discover a fully outfitted exterior prep station with an electric grill, sink, and inverter, complemented by a 12-volt air conditioning system powered by its own battery bank. A stand-up compartment equipped with a shower and sink adds further convenience. Inside, a double berth illuminated by natural LED lighting offers a cozy haven for overnight stays. Merging performance, comfort, and innovative design, the Navan S30 is an outstanding option for those seeking to purchase a yacht that guarantees a versatile and opulent experience. Investigate yacht sales at the current boat location to claim this remarkable vessel as your own.

DETAILED DESCRIPTION

Standard Key Features

This yacht features a stunning exterior with a sleek white hull and a contrasting black bottom, radiating sophistication and style on the water. Engineered for both convenience and safety, the self-draining cockpit guarantees a dry and comfortable journey. Accessing the water is effortless with the swim ladder and extended swim platform, ideal for both relaxing swims and exciting water sports.

Onboard, you'll discover contemporary amenities like an inductive charging station, along with 12V and USB outlets, ensuring your devices remain charged. The helm seat and the starboard companion seat are equipped with flip-up bolsters, offering adaptability and comfort for both the captain and co-pilot. Moreover, the convertible bench seat can be oriented forward or backward, complete with armrests for enhanced relaxation.

The yacht includes an enclosed head with an electric flush, providing both privacy and convenience. Dual battery switching offers dependable power management, while the Mercury Marine® Active Trim system boosts performance and efficiency. For an exceptional driving experience, the yacht is fitted with tilt steering and a premium steering wheel, making navigation a true delight.

Optional features

This yacht comes with a variety of optional features that enhance both its comfort and utility. The Gatorstep flooring, upgraded with a laser finish in almond, adds an elegant touch underfoot. The bow electric windlass simplifies anchoring, making it a valuable asset. Audiophiles will enjoy the upgraded

stereo system, which delivers superior sound quality throughout your voyage. Navigation is improved with dual 12" Simrad NSX GPS units, paired with the Simrad VHF RS20S for dependable communication. The exterior prep center is a culinary enthusiast's dream, equipped with a sink, electric grill, and inverter, making outdoor cooking effortless. Inside, a cabin refrigerator keeps your drinks cool, while the foredeck hatch cover with a fly screen allows for ventilation without letting insects in.

The yacht's grey T-top includes rocket launcher rod holders, appealing to fishing fans. For sun protection, both the bow and cockpit are fitted with sun awnings designed for the T-top. Climate control is guaranteed with air conditioning and heating, ensuring comfort in any climate. Entertainment is easily accessible with a smart TV, featuring an antenna, USB, and HDMI connections.

Underwater lighting creates a magical ambiance during evening cruises, illuminating the surrounding water. Protective covers for the helm, aft seat, entertainment center, dash, and bow lounge keep your yacht in immaculate condition. The Smart Pack is a comprehensive addition, offering shore power, dual fridge drawers, a hot water system, a real teak cockpit table, a mooring kit, and cabin curtains for the forward cabin, enhancing both convenience and luxury on board.
