## OVERVIEW

"CURRENT PRICE" IS PROVIDED AS A GUIDE. ALL SERIOUS OFFERS ENCOURAGED.

The 1996 Donzi 33ZX stands as a classic expression of high performance offshore design, marrying the storied Thunderboat Row lineage with thoughtful comfort and fine workmanship. Set upon a deep V hull, this go fast sport cruiser inspires confidence with predictable handling, steadfast tracking, and minimal chine walk even as the throttle approaches the 70 mph range. Beyond its exhilarating pace, the 33ZX reveals solid construction and a tastefully finished cuddy cabin, making it equally well suited to pulse quickening day runs or elegant overnight escapes. Revered among performance boat and speedboat aficionados, this 33 foot offshore machine occupies a distinguished place in the sport yacht and power cruiser world.

Reported mechanical condition is good, with a fresh stainless steel exhaust and recent servicing noted. As is typical for a vessel of this vintage, she would benefit from cosmetic refresh and general updates to return her to showroom appearance. Prospective buyers are invited to inspect in person and submit offers based on their viewing.

Trailer included — triple axle, aluminum construction.
