## DETAILED DESCRIPTION

### 2006 Hydra-Sports 3300 VX

---

The 2006 Hydra-Sports 3300 VX is proportioned for authority offshore and comfort at the helm, measuring 33' in length with a broad 10'3" beam that settles the boat at rest and underway. A sure-footed 2'8" draft expands your approach to skinny water, while a 23° deadrise and a substantial dry weight of 10,500 combine for a composed, wave-taming ride. Long-run confidence comes from a 352gal fuel tank, supported by 35gal of fresh water and a 10gal holding tank to extend time on board. Throttle up with triple Yamaha F250 power for crisp acceleration and reliable thrust, then let the Garmin GPS, Icom VHF, and autopilot keep you precisely on course and in clear communication as the miles roll beneath the keel.
