OVERVIEW

Listed price is a guideline only; all serious offers are warmly invited.

The Greenline 33 is the epitome of effortless, efficient cruising, marrying a sophisticated hybrid drive with graceful design. She slips along in quiet, low emission electric mode for serene harbor and short range passages, then turns to robust diesel power for confident, long range runs when required. The single level layout thoughtfully unites salon, galley, and cockpit to create an easy flow throughout the vessel, while expansive windows flood the interior with natural light and foster a comfortable, "at home" atmosphere. Bow and stern thrusters make close quarters maneuvering straightforward, and a carefully considered complement of safety and emergency systems provides added peace of mind. Purpose built as a 33 foot hybrid cruiser, this model balances refinement and practicality in a compact, sought after package—an opportunity not to be missed.

This example presents well and appears ready for immediate enjoyment. Step aboard, inspect her for yourself, and bring your offer.

A trailer is not included with the sale. Nationwide transportation can be arranged, including custom cradle fabrication and delivery to shipping ports for international export; trailer options may be sourced separately if required. Transport assistance is available, and logistics support for cradle fabrication and port delivery for overseas shipment can be coordinated upon request.

Please review the motors and machinery disclaimer below for engine and systems details.

Motors and Machinery Disclaimer: No representation is made regarding the condition of engines, generators, or onboard mechanical systems.

Photographs may show machinery spaces; however, it is solely the buyer's responsibility to inspect and determine actual condition. Do not assume any accessories or loose equipment are included if not visible at viewing. The

vessel is sold exactly as seen; bid or offer accordingly based on your personal inspection.

General Disclaimer: Information is offered in good faith but is not guaranteed; all specifications, descriptions, and statements of condition are subject to buyer verification. The vessel is offered subject to prior sale, price change, or withdrawal without notice.

All marine assets, whether owned or brokered, are sold AS IS, WHERE IS, with no warranty—express or implied—including, without limitation, warranties of merchantability or fitness for a particular purpose. No verbal agreements shall alter the terms of sale.

Ideal as a hybrid cruiser, trawler yacht, sedan cruiser, motor yacht, coastal cruiser, eco yacht, and refined pocket yacht for couples or family adventures, the Greenline 33 offers an elegant blend of efficiency, comfort, and contemporary style.
