OVERVIEW

The 2025 Navan S30 epitomizes a premier center console yacht, designed to deliver both exceptional performance and luxury, making it ideal for coastal adventures and day excursions. With a length of 33' 7" and a beam of 9' 10", it can comfortably host up to 12 passengers. This yacht, available for purchase, is driven by twin Mercury 300XL JPO 4-Stroke outboard motors, providing impressive speed and fuel efficiency. Its distinctive twin-step T-Step Hull design ensures excellent agility and stability. Onboard, you'll discover a fully outfitted exterior preparation area with an electric grill, sink, and inverter, complemented by a 12-volt air conditioning system powered by its own battery bank. The stand-up compartment features a shower and sink for added convenience. Inside, a double berth illuminated by natural LED lighting offers a cozy haven for overnight stays. Blending performance, comfort, and innovative design, the Navan S30 is the perfect option for those seeking to purchase a yacht that guarantees a versatile and luxurious seafaring experience. Explore yacht sales at the current boat location to make this extraordinary vessel yours.

DETAILED DESCRIPTION

Standard Key Features

This yacht features a refined exterior with a stunning white hull paired with a black bottom, creating an elegant silhouette on the water. Engineered for both convenience and safety, the self-draining cockpit effectively handles water, while the swim ladder and extended swim platform offer effortless access to the sea for recreational activities.

Inside, contemporary amenities elevate the onboard experience. An inductive charging station, along with 12V and USB ports, ensures all your devices stay charged throughout your voyage. The helm seat, with its flip-up bolster, provides both comfort and adaptability, mirrored by the starboard companion seat which also includes a flip-up bolster. For added versatility, the convertible bench seat can be oriented forward or backward, complete with armrests for extra comfort.

The yacht includes an enclosed toilet with an electric flush, offering both privacy and convenience. Dual battery switching ensures dependable power management, while the Mercury Marine® Active Trim system enhances performance and fuel efficiency. The tilt steering and premium steering wheel provide precise handling and a luxurious touch, making navigation a delight. Every aspect of this yacht is crafted to enrich your maritime journeys, seamlessly blending style, comfort, and advanced technology.

Optional features

This yacht comes with a variety of optional features that significantly enhance the onboard experience. The Gatorstep flooring, upgraded with laser precision in a refined almond hue, brings an element of elegance and comfort to your

steps. Anchoring is made effortless with the electric windlass installed at the bow, ensuring smooth and easy handling.

The entertainment system is upgraded to deliver exceptional sound quality throughout the yacht. Navigation is seamless with dual 12" Simrad NSX GPS systems, paired with the Simrad VHF RS20S for dependable communication. The exterior prep center is a culinary enthusiast's dream, equipped with a sink, electric grill, and inverter, ideal for outdoor dining.

Inside, the cabin refrigerator keeps your drinks perfectly chilled, while the foredeck hatch cover with a fly screen allows for ventilation without letting insects in. The T-top, finished in grey and featuring rocket launcher rod holders, offers both shade and functionality, further enhanced by the sun awnings for the bow and cockpit.

Comfort is a priority with the inclusion of air conditioning and heating, ensuring a pleasant atmosphere in any climate. Entertainment options are plentiful with a smart TV, complete with an antenna, USB, and HDMI ports. For added ambiance, underwater lighting beautifully illuminates the surrounding waters.

Protection and style are maintained with covers for the helm, aft seat, entertainment center, dash, and bow lounge. The Smart Pack offers numerous conveniences, including shore power, dual fridge drawers, a hot water system, a genuine teak cockpit table, a mooring kit, and cabin curtains for the forward cabin. These optional features come together to offer a luxurious and adaptable yachting experience.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
