OVERVIEW

Introducing the Everglades 315cc

Embark on a new era of yachting with the Everglades 315cc, a marvel of contemporary marine engineering that seamlessly blends meticulous craftsmanship, outstanding performance, and opulent comfort. As a distinguished member of the esteemed Everglades Boats collection, this center console yacht is your gateway to exhilarating adventures and limitless exploration.

Experience Unrivaled Performance

Measuring 31 feet and 6 inches in length with an impressive 10-foot and 4-inch beam, the Everglades 315cc is a dynamic force of agility and power on the water. Powered by dual 400 horsepower V10 Mercury engines, it glides effortlessly at a cruising speed of 43.6 MPH, offering an ideal mix of velocity and stability. For thrill-seekers, its maximum speed of 56.3 MPH allows you to pursue the horizon with the breeze in your hair.

Engineered for Perfection

The Everglades 315cc features the revolutionary RAMCAP (Rapid Molded Core Assembly Process) technology, a signature of Everglades Boats' engineering excellence. This state-of-the-art process creates an unsinkable vessel that boosts safety, optimizes comfort, and reduces noise and vibrations, ensuring a serene voyage every time.

Where Elegance Meets Certification

Constructed by ABYC, NMEA, and NMMA certified professionals, the Everglades 315cc represents the pinnacle of quality and safety standards. Every aspect, from the rivets to the curves, showcases our steadfast dedication to your maritime pleasure and peace of mind.

Elevate Your Journey

For those who seek ultimate comfort, the optional Seakeeper 2 minimizes up to 95% of boat roll, transforming your voyage into a tranquil retreat. Further enhance your experience with the NEW Seakeeper Ride, a testament to our commitment to your comfort on every journey.

Crafted for Ease

The Everglades 315cc includes a meticulously designed mezzanine seat and cooler combination, ideal for savoring sunsets or sharing moments with friends. Augment your adventure with the optional rigging and tackle station, a fusion of functionality and luxury that complements the mezzanine seating and cooler arrangement.

Set off on a voyage where craftsmanship meets innovation, power meets precision, and your yachting aspirations come to life. Sail with the Everglades 315cc, where the ocean becomes your playground and adventure knows no bounds.

Discover the Everglades 315cc today and steer towards a new horizon of maritime excellence. Welcome to the future of yachting. Welcome to Everglades Boats.

DETAILED DESCRIPTION

Section name

Introducing the Everglades 315cc, a stunning example of state-of-the-art maritime design that flawlessly merges precise engineering, exceptional performance, and luxurious comfort. As a centerpiece of the renowned Everglades Boats fleet, the 315cc is more than just a center console; it is your portal to a world of exploration and adventure.

With a length of 31 feet and 6 inches and a sturdy beam of 10 feet and 4 inches, the Everglades 315cc is a testament to power, agility, and unmatched capability on the water. Powered by twin 400 horsepower V10 Mercury engines, this vessel cruises effortlessly at 43.6 MPH, delivering a harmonious blend of speed and stability on open waters. When the thrill of speed calls, its top speed of 56.3 MPH lets you embrace the wind and the endless horizon.

The Everglades 315cc features the signature RAMCAP (Rapid Molded Core Assembly Process) technology, a hallmark of Everglades Boats' innovative expertise. This cutting-edge process doesn't just build a boat; it creates an experience that exceeds expectations. The result is an unsinkable marvel that ensures safety, enhances comfort, reduces noise, and minimizes vibrations, offering a tranquil journey like no other.

Experience unparalleled peace of mind as the Everglades 315cc is crafted by ABYC, NMEA, and NMMA certified professionals, exemplifying uncompromising quality and adherence to the highest industry standards. Every rivet, every curve, every feature, and attention to detail reflects our commitment to your maritime enjoyment and security.

For those who desire ultimate comfort, the optional Seakeeper 2 is ready to eliminate up to 95% of boat roll, transforming your voyage into a serene escape. Further enhance your journey with the new Seakeeper Ride, a

testament to our dedication to your comfort on every sea adventure.

Standard on the Everglades 315cc is a meticulously crafted mezzanine seat and cooler combination—ideal companions for enjoying sunsets or sharing laughter with friends. Want to enhance your experience? Add the rigging and tackle station, a blend of practicality and luxury, featuring the mezzanine seating and cooler solution that remains at your service.

Our boat showcases the following colors and options: Yamaha White Twin Engine 350hp with DES, Auto Pilot & Joystick EX at the Main Station, and a hull color of Whisper Gray. The underside of the hardtop is also Whisper Gray, while the upholstery is a solid white. The canvas package includes console, forward console seat, and helm seat covers in a sleek silver color. The fishing package includes a Gemlux 18' Outrigger Package with a Double Rigging Kit & Quick Cam Cleats, rod holders in the forward console (6) and console interior (4), and a removable filet table. The rigging station replaces the mezzanine seating, and an engine flushing system is included. A freezer plate for the rigging station cooler tub, JL Speakers LED M6 Upgrade, Lumitec Light Bar (18" set of 3), Seakeeper 2 structural support, and underwater lights with Spectrum Quattro RGBW are also part of the package. The Prime Electronics Package features a Garmin VHF 215, dual GPSMAP 8616 Chart Plotters, a B175HW Transducer, and a GXM 54 Sirius XM & Weather Receiver (subscription required).

Embark on a journey where craftsmanship meets innovation, power meets precision, and your nautical dreams find their ultimate expression. Set sail with the Everglades 315cc—an uncharted realm where the sea bows to your command, and adventure knows no limits. Experience the Everglades 315cc today and navigate towards an unparalleled maritime horizon. Welcome to a new era of boating excellence. Welcome to Everglades Boats.

Basic boat info

Introducing the Whisper Gray, a breathtaking new member of the Everglades lineup, representing the zenith of contemporary maritime design and engineering. This 2025 Everglades 315 Center Console is a true work of art, combining power and elegance with meticulous craftsmanship and attention to detail. Built from premium fiberglass, this vessel guarantees both durability and high performance, ensuring a smooth and dependable voyage on the water.

The Whisper Gray is more than just a boat; it is a declaration of style and sophistication. With its sleek lines and state-of-the-art features, it distinguishes itself in the power category, delivering an unmatched boating experience. The hull, marked by the ID RJDRX023F425, attests to its authenticity and superior craftsmanship, ensuring that each journey is as secure as it is exhilarating.

This latest model is in immaculate condition, poised to conquer open waters with poise and assurance. Whether you are an experienced mariner or new to the boating world, the Everglades 315 Center Console provides an experience that is both exhilarating and luxurious. Step into the future of boating with the Whisper Gray, where innovation seamlessly blends with tradition.

Dimensions

The Everglades 315 Center Console is a striking vessel that captures attention with its remarkable size, crafted to deliver both spaciousness and stability on the water. Measuring 31 feet and 8 inches in length, and extending to an overall length of 33 feet and 9 inches, this boat offers generous space for both leisure and exploration. The deck spans 31 feet and 6 inches, providing a roomy area for all your nautical endeavors.

With a beam of 10 feet and 4 inches, the boat ensures stability, making it a dependable option for a variety of water conditions. The draft varies from a

minimum of 1 foot and 11 inches to a maximum of 3 feet, allowing for adaptable navigation across different depths. A deadrise of 25 degrees enhances the vessel's performance, ensuring a smooth and comfortable journey even in rough waters.

Outfitted with a 12-volt electrical system, the Everglades 315 Center Console is prepared to power all your onboard electronics, guaranteeing a seamless and enjoyable experience on the water. These dimensions and features combine to form a vessel that is as practical as it is sophisticated, promising unforgettable adventures on the open sea.

Engines / speed

The Everglades 315 Center Console is driven by a powerful pair of Yamaha F350 engines, each offering a remarkable 350 horsepower. These outboard-4s engines are crafted for unleaded fuel, providing both efficient and robust performance on the water. With a combined engine power of 700 horsepower, this vessel is prepared to tackle any adventure with speed and ease.

Both engines are brand new, from the 2025 model year, and have zero engine hours, ensuring reliability and durability for countless journeys to come. The engines are strategically placed on the port and starboard sides to optimize balance and maneuverability, enhancing the boat's overall handling.

Each engine is equipped with a three-blade stainless steel propeller, highlighting the commitment to quality and performance. This configuration not only guarantees smooth and responsive navigation but also enhances the vessel's capability to achieve impressive speeds, making every voyage both thrilling and efficient.

The Everglades 315 Center Console, with its robust Yamaha engines, exemplifies superior engineering and design, offering an unparalleled experience on the open water. Whether you're enjoying a leisurely cruise or

chasing high-speed excitement, this boat is poised to provide an unforgettable ride.

Tanks

The Everglades 315 Center Console is meticulously outfitted with a robust tank system tailored for extended voyages on the water. Central to this system is a single fuel tank boasting an impressive 300-gallon capacity, crafted from sturdy aluminum. This generous fuel reserve allows you to explore vast distances without frequent refueling, ensuring uninterrupted adventures.

Complementing the fuel system is a 35-gallon water tank, made from durable plastic. This tank supplies ample fresh water for your needs, whether you're enjoying a day at sea or setting out on a longer journey. The plastic construction of the water tank offers a lightweight yet strong solution, perfect for marine conditions.

Additionally, the vessel features a holding tank, also constructed from plastic, highlighting a commitment to convenience and environmental care. This configuration ensures efficient waste management, allowing you to enjoy your time on the water with complete peace of mind.

Together, these tanks create a comprehensive system that upholds the Everglades 315 Center Console's promise of providing a seamless and pleasurable boating experience, regardless of where your adventures lead you.

Additional info

The Everglades 315 Center Console is crafted with a variety of features that boost both practicality and comfort. It includes a single head, offering essential convenience for longer journeys on the water. The electric windlass facilitates easy anchoring, enhancing the vessel's overall manageability. With stock number #023, this boat is categorized under Center Consoles and Freshwater

Fishing, making it adaptable for a wide range of water activities.

The steering system features joystick control, providing precise handling and an intuitive experience, whether you're maneuvering through tight marinas or cruising open waters. This sophisticated feature highlights the boat's dedication to delivering a smooth and enjoyable boating experience.

Please be aware that while the company provides the details of this vessel in good faith, it cannot guarantee the accuracy of this information or the condition of the vessel. Potential buyers are advised to have their agents or surveyors verify any details they wish to confirm. This vessel is available subject to prior sale, price changes, or withdrawal without notice, so interested parties should act swiftly to secure this remarkable boat.
