OVERVIEW

Leasing Option Available

MIA MIA is a striking 33' Aquariva in near-pristine condition. With remarkably low hours and diligently maintained, this Aquariva Super continues a storied lineage with effortless poise. Hailed as the modern heir to the iconic Aquarama, she preserves her predecessor's timeless magnetism while introducing a refined, contemporary edge through advanced, high-tech amenities. Her sleek, seductive silhouette calls to mind the silver-screen allure that once enchanted Brigitte Bardot and Sophia Loren. Exquisite craftsmanship, bespoke detailing, and sumptuous finishes provide unrivaled comfort and uncompromising sophistication, composing a cruising experience that feels both eternal and refreshingly original—an exceptional luxury runabout, express cruiser, open dayboat, classic speedboat, motor yacht, and superyacht tender for connoisseurs of elegant sport yachts.

DETAILED DESCRIPTION

Description

Leasing option available. MIA MIA is a beautifully kept 33' Aquariva Super presented in like-new condition with very low hours, a lovingly maintained example of the model created to carry forward a legend. An anointed heir to the iconic Aquarama, she preserves her forebear's timeless allure while infusing the experience with cutting-edge, high-tech accouterments. Her suave, elegant lines continue the irresistible game of seduction that once captivated divas like Brigitte Bardot and Sophia Loren, while exquisite fittings and fine detailing deliver an unrivaled degree of comfort and uncompromising elegance. The result is a cruising experience of sublime originality, where heritage and modernity meet in perfect poise.

Other details

This information is offered in good faith for general guidance. While every effort has been made to present accurate particulars, no guarantees or warranties are given or implied as to accuracy or the vessel's condition. Prospective buyers are strongly encouraged to have their agents or qualified surveyors verify any details they wish to validate. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Propulsion

Power is delivered by twin inboard Yanmar 8LV diesel engines, both from 2020 and each rated at 350 hp. Engine One shows 10 hours, while Engine Two shows 260 hours, reflecting light overall use with dependable, efficient diesel performance.

Specifications

Length overall is 33.58 ft with a 9.17 ft beam, delivering poised proportions that enhance both stability and agility. The hull is fiberglass for strength, longevity, and a refined ride. Thoughtful accommodations include one guest cabin and one guest head, creating a serene retreat for intimate day trips or stylish overnights.
