OVERVIEW

Current price is a guide, and all serious offers are welcomed. This timeless Tiara 3300 Open hardtop express marries sportfishing capability with cruising refinement, presenting as a very clean, dry, and thoughtfully upgraded classic from Tiara Yachts that is essentially turn-key for the season. Designed to serve as an offshore-capable sportfish and express cruiser, she appeals equally to dedicated anglers and weekend voyagers, reflecting the build quality and versatility for which the marque is known.

At 33 feet with a 36-foot LOA and a generous 13-foot beam, the yacht is driven by twin Crusader 454 gasoline inboards (7.4L, 350 hp each) showing approximately 1,186–1,199 hours. Performance and practicality have been enhanced with a custom extended swim platform for effortless boarding and watersports, outrigger-ready fishing provisions, and Raymarine navigation gear supplied with a radar dome (included but not yet mounted) while the GPS/chartplotter is fully operational. A sleek hardtop fitted in 2021 defines the profile, and recent exterior renewals—new canvas and bolsters installed in 2021–22 and SeaDek deck surfacing from the same timeframe—refresh the cockpit and deck surfaces. Comfort below decks is elevated by a new 16K BTU air-conditioning system with heat pump installed in 2023, creating a controlled environment for extended cruises.

Careful maintenance and selective upgrades extend to the vessel's systems and interior: the head was renewed in 2023, including hoses and a holding tank; the fuel tank was replaced in 2000 with supporting documentation and warranty from S2 Yachts; and a custom-made V-berth mattress was added for comfortable overnighting. An additional fish station with sink and icemaker is included with the sale and is currently stored off the boat, ready to be reinstalled to suit your preferred cockpit arrangement. The yacht is offered without a trailer and is currently lying in a slip in Niantic, Connecticut.

Asking \$39,500, or best reasonable offer. Nationwide and overseas transportation can be arranged, including custom cradles and delivery to port; logistics support and quotes are available upon request. Please review the Motors and Machinery Disclaimer. No statement of condition is made regarding engines or onboard systems; photographs may depict machinery spaces, but it is the buyer's responsibility to inspect and determine actual condition. Do not assume accessories or loose equipment are in storage—the vessel is sold strictly as seen, and offers should reflect what is present at the time of viewing. The particulars of this vessel are presented in good faith but are not guaranteed; buyers are encouraged to verify all details independently. This yacht is offered subject to prior sale, price change, or withdrawal without notice. All marine products, whether owned or brokered, are sold AS IS, WHERE IS, with NO WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, including NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE; no verbal agreements shall alter these terms.
