DETAILED DESCRIPTION

Section name

"In Deep Ship II" is a stunning "Sea Ray" that is highly regarded as a sought-after 34-foot Sea Ray Amberjack. This vessel features a broad and spacious 13'5" beam cockpit, paired with a 19.5-degree Deep-Vee hull, establishing it as a genuine classic. The current owner, an experienced boat aficionado, has cherished and maintained this boat with his family for the last 20 years, declaring it the finest boat he has ever owned. Alongside his reliable technicians and maintenance team, they have thoroughly refurbished the boat for the next owner, ensuring it is a genuine turnkey vessel. The extensive service, valued at over \$30,000, is fully documented, with receipts available for serious buyers.

The boat is equipped with twin Caterpillar 3126 Diesel engines with around 1300 hours, and a Westerbeke 5.5Kw diesel generator, newly installed in 2020, with 460 hours. It is well-appointed with air-conditioning, a comprehensive electronics suite, windlass, complete fishing package, full galley, central vacuum system, and a Reverso Oil Change System. The cockpit is expansive, ideal for entertaining large groups for fishing or cruising, and includes a drop-down cockpit curtain, full cockpit cover, and complete enclosure. The owner also retains the L-Shape Aft Seat in storage.

This boat is offered with an exclusive delivery package, featuring new owner training and orientation, along with eligibility for Fun InterMarine Escapades. If you are seeking a Diesel 34' Sea Ray, particularly an Amberjack, seize this chance to own one. This boat is in superior condition and will exceed your expectations. Viewings by appointment.

Broker's comments

This vessel has had just one prior owner for the first two years, after which the current owner has cherished it with his family for the last 20 years. All maintenance is current, including the 1000-hour service on the Caterpillar 3126 engines. A few years back, the owner updated all the gauges and panels on the dashboard, so the current hour meter readings are not precise. To be cautious, the boat is estimated to have around 1350 hours. Throughout the 20 years of ownership, the owner has replaced almost everything, from the refrigerator, ice maker, generator, water pumps, to bilge pumps, ensuring the boat is always ready for weekend adventures. He has just finished a comprehensive service on the boat and is now prepared to part with it to acquire a larger yacht.
