OVERVIEW

Presenting the 2006 Sea Ray 300 Sundancer, an expressive and refined cruiser that marries upscale comfort with spirited performance. At 33.3 feet overall, this cabin cruiser rests on a solid fiberglass deep-V hull that imparts confident stability and a smooth, assured passage through chop. Propulsion comes from twin MerCruiser T-5.0L MPI Bravo III sterndrives, each rated at 260 hp, delivering brisk acceleration and reliable cruising power, while stainless-steel 4-blade propellers enhance efficiency, tracking, and precise low-speed maneuvering. Anchoring and anchorage routines are simplified by an electric windlass that makes set-and-go effortless, and a well-appointed head adds convenience for day trips or extended weekend outings. Equally suited as a versatile weekender, family cruiser, or coastal cruiser, the 300 Sundancer offers the refinement, ease, and composure of a compact motor yacht and sport cruiser. Whether hosting friends for a sunlit afternoon or slipping away for a solitary escape, this Sea Ray balances style, comfort, and confident handling in harmonious proportion.
