OVERVIEW

Current price is an indication only, and all sincere offers will be welcomed with respect.

Gracefully merging the athletic stance of an express cruiser with the seaworthy temperament of a true coastal yacht, this 2006 Bayliner 325 commands the presence of a larger motor yacht while remaining straightforward to handle for confident weekend cruising. Her signature 11.5-foot beam magnifies the features that matter most: a generous cockpit arranged for convivial entertaining and an interior whose clever planning delivers a rare two-stateroom layout within a 32-foot cabin cruiser. The result is a livable, elegant volume that reads like a waterside apartment afloat, yet retains the maneuverability and uncomplicated systems cherished in a sport cruiser and family powerboat. For those seeking a mid-cabin express that bridges spirited day-boating with extended escapes, this 32-foot cruiser yacht warrants close attention.

The vessel presents well overall. Both engines were started and ran, indicating a sound mechanical foundation, and she would respond beautifully to a thorough detailing and routine seasonal commissioning to reach her full potential. Step aboard to appreciate the broad cockpit social zone, explore the private forward cabin and the comfortable mid-cabin, and envision unhurried weekends at anchor with friends and family. When ready, present your offer and claim this refined coastal companion.

A trailer is not included with the sale. Nationwide and international transport can be arranged through reputable carriers, with custom cradles and port facilitation available for overseas shipment. Trailers may be sourced separately if desired. Whether relocating across the country or preparing for export, logistics support can be coordinated to suit your plans.

With regard to engines and onboard systems, please review the motors and

machinery disclaimer. No statements can be made about mechanical condition beyond what is observed at inspection. Photographs may show engine spaces and equipment; however, it is the buyer's responsibility to evaluate and confirm condition to their satisfaction. Assume nothing is included beyond what is physically present at viewing, and bid accordingly.

This offering is presented in good faith, though accuracy of details and overall condition cannot be guaranteed. Buyers are encouraged to verify specifications, features, and systems as they choose. The vessel is offered subject to prior sale, price adjustment, or withdrawal without notice.

All marine assets, whether owned or brokered, are sold strictly AS-IS, WHERE-IS, with no warranty or guarantee expressed or implied. There are no warranties of merchantability or fitness for a particular purpose of any kind, and no verbal commitments shall alter these terms. Inspect, confirm, and then move forward with confidence—this elegant Bayliner 325 express cruiser stands ready to elevate your time on the water with the grace, comfort, and capability of a true coastal cruising powerboat.
