OVERVIEW

Sessa Marine C35, built in 2009 and refitted in 2022, presents a beautifully preserved luxury cruiser that comfortably carries up to 12 guests and shows the care of an attentive owner. The exterior is refreshed with new cushions and trim, offering a generous cockpit lounge with a dining table and a forward sunpad for lounging, while an expansive swim platform with deck shower invites effortless water access. A cockpit wet bar, complete with fridge and sink, makes entertaining under sail effortless and elegant.

Below deck the layout is practical and refined: two double cabins each fitted with a television, a single head with electric WC and separate shower, and a salon dinette with table and TV for relaxed meals or movie nights. The full galley—equipped with microwave, cooktop, sink and additional appliances—includes an interior refrigerator to keep provisions chilled.

Mechanical and navigation systems are robust: twin Volvo Penta D4 engines showing 900h, bow thruster, Raymarine chartplotter, autopilot, twin electronic throttle/shift controls, electric windlass with chain counter and three batteries. A documented service history accompanies the yacht; a comprehensive service and fresh antifouling were completed three weeks ago.
