DETAILED DESCRIPTION

2021 Jeanneau NC1095 Fly

The 2021 Jeanneau NC1095 Fly is a superb fusion of refined luxury and dynamic performance, crafted for those who demand style and functionality on the water. Power comes from twin Yamaha F300 NCA four-stroke outboard engines that deliver smooth, confident acceleration and effortless cruising, while a Side-power bow thruster with double controls both on the flybridge and in the wheelhouse ensures precise low-speed maneuvering and effortless docking. For extended voyages the yacht is fitted with a Generator Panda Diesel 6.4KVA 115V fed from a ten-gallon tank and complemented by an additional nine-gallon diesel tank dedicated to the generator with a DC pump, and handling and stability are further refined by automatic ZipWake trim tabs with double control. The upgraded electronics package creates an exceptional navigation suite with two Garmin touchscreens, GPSMAP 8412 XS in the wheelhouse and GPSMAP 922 XS on the flybridge, supported by Garmin Fantom 18 radar and a Blue-chart G3 vision chip for the Eastern Caribbean, with clear communication via the VHF Garmin system. Onboard ambiance and comfort are treated with equal care: blue underwater lights cast a dramatic glow, ceramic window tinting offers sun protection and privacy, and a Fusion RA70N audio system with Bluetooth, USB connectivity and six loudspeakers situated in the cockpit, interior and flybridge driven by a Fusion amplifier elevates the sound experience. Practicality meets luxury with an additional fridge in the storage compartment, three units of A/C 110V 60HZ with reverse heat, a microwave oven and a 110V vitro-ceramic cooktop, while outdoor living is perfected by a graphite cockpit sun awning, a flybridge bimini top and a flybridge table with a cushion for the chaise lounge; relaxation areas include a front sun mattress on the flybridge and a forward sundeck with a lifting

backrest. Thoughtful accommodation touches such as a mattress for the third cabin and a filler cushion for the salon table ensure every guest enjoys comfort, making the 2021 Jeanneau NC1095 Fly a distinguished choice that embodies elegance, innovation and true seafaring comfort.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
