OVERVIEW

The 2013 Contender 35 LS, driven by a trio of Yamaha 300HP outboards, presents as a pristine, lift-stored, single-owner boat now offered at an appealing price because the owner is upgrading to a 44 Contender. In December 2024 it received a comprehensive refresh: professional repaint and interior/exterior refinishing, brand-new upholstery, new Garmin GPS/chartplotter units paired with Garmin autopilot, an upgraded JL Audio premium sound system, and a fresh windlass. All routine maintenance is up to date and has been carried out by Eric's Outboards, and the center engine was replaced in 2019.

Blending the rugged capability of a bluewater center console sportfisher with the refinement of a luxury dayboat, the 35 LS delivers true offshore performance, tournament-ready fishing features, and uncomplicated family cruising comfort—an elegant, versatile powerboat for buyers seeking one vessel to serve both adventure and leisure.
