## OVERVIEW

---

This 2001 Sea Ray Amberjack was built and finished for its sole original owner, chosen for an advanced mix of blue water fishing prowess and the composed comforts of coastal cruising. As an express cruiser and sportfisher walkaround, she marries offshore capability with weekender refinement, offering safe deck access for anglers and gracious accommodations for family escapes.

That balance is reflected in the equipment: a Phasor 7 kW generator (installed July 2020) and freshly upgraded upholstery throughout complement full services recently completed on both engines and the generator. Five dual color Lumitec underwater lights illuminate the running gear, while a Kenyon electric grill serves convivial cockpit meals. Helms are modernized with Mathers single lever electronic controls at both stations; navigation and fishfinding are covered by a Raymarine E80 and a Raymarine E120 at the lower helm, backed by an Airmar 1 kW transducer with sounder module. Tackle and rigging include Rupp 28' single spreader outriggers with collapsible back bars, a Rupp 15' center rigger, and a Custom Glasstech Marlin Tower with laceless canvas, buggy top, radar support, fiberglass landing platform, control box with rigging tubes, a tower bench with six welded rod holders, and two Lumitec spreader lights. Comfort and convenience features range from a three sided enclosure plus aft cockpit drop curtain, VacuFlush marine head, tan gel coat dash, macerator and 12,000 BTU air conditioning, to a built in Beam vacuum system, hydraulic hi low dinette table base, and a custom Frigid Rigid cooler serving as an aft facing seat.

Polished yet purposeful, this Amberjack is an offshore ready Express Cruiser/Sportfish that brings walkaround safety, fishing heritage, and motor yacht level comfort together in a single, well equipped package.
