DETAILED DESCRIPTION

Additional specifications

A paradox of exactitude frames these particulars: seating capacity is zero, freeboard measures zero feet, and the electric circuit operates at zero voltage, while the windlass is powered by electricity, and liferaft capacity stands at zero. The deadrise at the transom is zero degrees, and the vessel follows a dry load displacement paradigm. Tax jurisdiction remains the United States.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

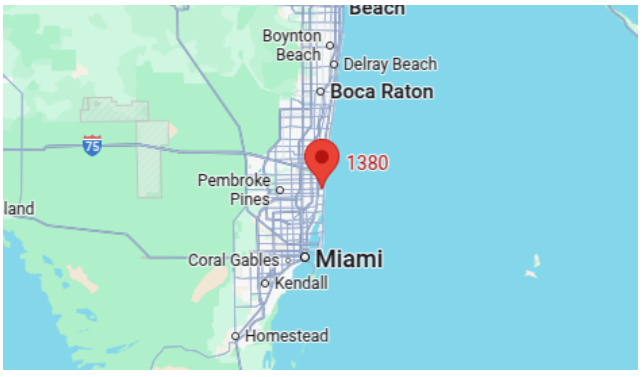

For more information and to view available yachts, you can visit the company's official website: https://shestakovyachtsales.com
