OVERVIEW

Boston Whaler 350 REALM, 2023, 35 feet overall. Lift-kept and covered since delivery, never bottom painted, the original gelcoat presents exactly as Boston Whaler intended—clean, glossy, and free of antifouling concealment.

A 350 REALM at heart, she balances offshore muscle with refined comfort, equally at ease chasing fish, hosting friends at the sandbar, cruising to Naples for dinner, or stretching out for a Bahamas hop. The helm offers excellent sightlines, intuitive controls, and the solid, confidence-inspiring feel expected from the brand.

Triple Mercury 300 V8 Verados with Joystick Piloting deliver effortless docking, strong reliability, and spirited performance. Below, a true overnight cabin—far more than a place to hide from weather—complements a convertible forward berth, a private enclosed head with shower, air conditioning, and premium Whaler fit and finish.
