OVERVIEW

This striking 2007 Windy Khamsin 35, commissioned new in 2011, is propelled by the much sought Volvo Penta D6-350 diesel installation, effortlessly achieving speeds in excess of 40+ knots. With only 250 engine hours recorded, she has been fastidiously cared for and upgraded to a high standard.

Enhancements include full genuine teak decking, Zipwake interceptors, newly refreshed cushions, an electric aft sunpad, a complete cockpit enclosure with air-conditioning, and premium navigation and electronics. Below decks a clever four-berth arrangement offers comfortable sleeping accommodation, a generous heads and a thoroughly practical galley. A rare opportunity to acquire a pedigree performance sports cruiser—an elegant express cruiser and luxurious motor yacht with true exhilarating capability.

DETAILED DESCRIPTION

Detailed description

This Windy Khamsin 35 is a rare opportunity to acquire one of the most desirable high performance sports cruisers in pristine, turnkey condition, a 2007 build that was not sold new until 2011 with full paperwork to verify, and carrying the highly sought after twin Volvo Penta D6-350 diesel engines that deliver thrilling performance of up to 40 knots together with the legendary Scandinavian build quality. She is EU VAT paid, has had only two meticulous owners and shows just 250 engine hours, and the current owner — a trusted long term client — has spared no expense keeping her in mint condition; she has never been antifouled, having lived in a SeaPen from new (available by separate negotiation), and was professionally polished and ceramic coated last week. Extensive upgrades make her one of the finest examples on the market: new real teak decking throughout including the foredeck, full forward sunpad cushions, an electric aft sun lounge and a completely upgraded navigation system, while comfort is elevated by air conditioning on shore power, a fully extended bimini and a complete cockpit enclosure with mosquito screens. Her four berth interior is both practical and inviting, with a spacious heads compartment and a compact galley fitted with a Wallas two burner hob, and the engine room is exceptionally clean with both engines and drives fully inspected and serviced. Windy has long been recognised for building some of the world's finest performance cruisers, and the Khamsin 35 is among its most acclaimed models; with low hours, upgraded equipment and a flawless history, this example represents a rare chance to own a top tier sports cruiser that is equally at home blasting across open water or relaxing at anchor.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.
