OVERVIEW

This 3500VX appears in near-new condition, richly appointed with high-end enhancements—an elegant express cruiser and offshore sportfish vessel. Propelled by a 2018 Suzuki 300 HP outboard with under 200 hours, she boasts recently fitted helm electronics with twin Garmin 10-inch MFDs, an ICOM VHF radio, a Raymarine autopilot system, and a bow thruster that makes docking effortless.

DETAILED DESCRIPTION

2008 Hydra-Sports 3500VX

Purpose-built for adventure yet refined for weekends away, the 2008 Hydra-Sports 3500VX balances offshore capability with thoughtful comfort, offering a seamless fusion of fishability and livability. At a length overall of 34.1 ft and an 11.5 ft beam she provides reassuring stability and generous space for crew and gear, while smart tankage—fresh water tank of 1 × 40 gal, fuel tank of 1 × 372 gal, and a holding tank of 1 × 10 gal—supports long days on the water without compromise. Below decks, climate control with air conditioning and heat keeps the cabin perfectly tempered, and a versatile V-berth with table converts from lounge to sleeping quarters, augmented by a mid cabin for additional privacy; overhead lighting brightens every corner and onboard entertainment includes a TV and stereo to keep evenings lively. The galley is well-appointed with a fridge, microwave, stainless steel sink, and a solid-surface countertop, while a VacuFlush head and a true standup shower create a surprisingly luxurious head compartment. Performance is delivered by a trio of Suzuki 300 hp outboards installed new in 2018 with just 200 hours, giving confident throttle response and efficient cruising that suits both offshore runs and close-coast excursions. Electrical autonomy is ensured by a Kohler 7.3 kW generator in a soundshield, complemented by twin 30-amp shore power connections for seamless dockside service. The helm is a climate-controlled command center with air conditioning and heat, three-sided full glass to the hardtop, and four overhead hatches that invite a sea breeze on demand; night or day overhead lighting keeps sightlines clear, an adjustable helm seat supports long runs, and port and starboard loungers offer comfortable seating for guests. Purposeful details abound, from port and starboard tackle drawers to integrated speakers that bring your soundtrack to

the water, making the 3500VX the rare blend of rugged capability and refined comfort engineered to elevate every outing.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
